This Month's Trivia

Answer to October Trivia Question: What year did the high center mount stoplight first appear on the Corvette? 1986

Trivia Question for November: A power seat became available for the 1st time on the Corvette in what year?

President Tony

The past year has seemed to have just slipped by and here we are in December again.

The list of Club events this past year were few and far between. We should have an event once a month to just exercise our wonderful Corvettes. Let's try to put together a calendar of events for at least the first 6 months.

The Club started 2022 off with a run on January 1st through Orange County, ending up at Cappy's in Newport Beach for brunch. It was really fun!

In May 20 Club members ventured to the hills of Malibu driving along Pacific Coast Highway to Neptune's Net for lunch.

Another group went to the Long Beach Grand Prix in April. The Corvette Corral had parking for 100 cars and General Motors put up a big tent. Corvette drivers signed autographs and you could watch other cars from the grandstands.

Next, in May, a few members went to the Petersen Automotive Museum in Los Angeles. This is always a real treat viewing hundreds of classic cars and special displays.

The Gamblers Classic yearly event in Laughlin, Nevada was held in May. The Poker Run and trip to Oatman is always a highlight of the weekend. Of course, stopping at Peggy Sue's Diner is also a "must".

July took us to Tustin to the Marconi Automotive Museum for a "Corvette Cars and Coffee". There were 90 Corvettes plus the museum features a nice selection of rare and beautiful cars.

August found us in Compton at the Lions Automobile Museum. This is a tribute to the Lions Drag Strip in Long Beach that operated from the 50's until it closed in 1972. The collection is amazing and everyone said we have to go back again. Afterwards, we went to lunch at the Salt & Pepper restaurant in Fullerton.

Thanks to all who helped in making this year of events great. Let's plan for 2023 to be a wonderful and safe year.

Tony

The VP's Column

The VP's Word By Monica

Hi everyone, I hope everyone is enjoying the holiday season!

We've got a few events coming up, all holiday and charity themed. The first of these is the Brea Holiday car show, held on Sunday December 4th. This show benefits the Chips for Kids program, so bring an unwrapped \$10 toy to this event as well. It's held in the downtown Brea area, on Birch Street, home to many food and unique shops. If you haven't entered, come down and support our members that have.

There are a few cars and coffee events, also requesting unwrapped toys for kids. Saturday, December 3rd at the Warehouse Church in Whittier, as well as our own parking lot event on Saturday December 17th. Quisinpch will also have a toy drive at their cruise on Sunday, December 18th – details to follow.

We will also plan a cruise to see the beautiful holiday lights in Brea. We'll discuss this at the December meeting; tentative date is December 14th. I see a visit to Coco's for some pie at the end of this event!

Please don't forget about our CSS Annual Banquet. It will be held on Saturday, January 21, 2023 at the Orange County Mining Company. Ann Meewenberg has worked hard on putting this event together – thank you again Ann! Please get your money in by the December meeting if you plan on attending.

And for all the early risers, Brian will be putting together a New Year's Day cruise, assuming the group that normally puts it on doesn't come through. For those who have done this cruise in the past, it's called the Tour d'Orange, and typically starts out in Irvine, driving through the OC, and ending at the District in Tustin, just in time for lunch. If the Tour d'Orange comes out again, I will notify everyone. Otherwise, we'll plan our own event, and I'll send that information out as well.

As always, information for these events and more are included in the newsletter, and will be discussed during our general meeting.

Thanks,
Monica

General Meeting Minutes November 1, 2022

Officers present: Tony Schavone, Monica Valparaiso, Tom Horton, Teresa Cruz

Board Members present: Sal Cruz, Donna Stewart, Laura Schavone, George McMullen, Gary Maleski

40 Members Present

Ron DeBartolomeis led the members in the Pledge of Allegiance.

A quorum was declared to be present by President Tony Schavone.

President, Tony Schavone called the meeting to order at 7:00pm. Sadly, Andy Ersek passed away. The club will buy a brick for him.

There were no guests to introduce. Donna presented our new members, Russ and Claudia Hill, with a club notebook. Wayne and Betty Heard rejoined the club and were present.

Donna reported that Phil Anderson had foot issues due to diabetes while traveling and was in the hospital in Turkey! Thankfully, they are now safely home.

A motion was made to waive the reading of the minutes for last month's meeting. It was a unanimous vote to waive the reading.

Tom Horton reported that membership dues need to be renewed by November 15th. "The Most Valuable Member" forms are up in the front.

Treasurer, Teresa Cruz gave the bank balance. Almost all of the membership dues have been collected. So far, eight couples and one single person have paid for the banquet.

Vice President, Monica Valparaiso, showed a picture of the brick the club bought for Rick Miller and said we will buy one for Andy Ersek. There are flyers of upcoming events up front. For those who are attending the Vettes for Veterans' Car Show, we will meet at 7am to park together. There is a New Year's Day event.

Joe Orrico, NCCC Representative, was absent.

Care and Kindness Representative, Marsha Gallivan, read the birthdays and anniversaries for the month. She sold her Corvette and will not be rejoining the club next year. We will need a new Care and Kindness Representative.

Webmaster, Douglas Mariani, was not present. He has cracked ribs and internal bleeding from a motorcycle accident!

Will Grohmann was absent. Tony talked about gifts for the Calicinto Ranch kids. There is a sign-up sheet for those who would like to sponsor a child. Ann Meeuwenberg shared about Donnell, a CHP officer, who introduced us to Calicinto Ranch and what a good thing they do by giving the children of incarcerated parents a new direction. Tony talked about what Patriots and Paws does.

Debbie Ruby, Newsletter Editor, thanked everyone for pictures and articles. She also welcomed new and returning members.

Tony will be the Car Show Chairman. He suggested that we have our car show at the Elks Club in Buena Park again. We need to create a flyer soon.

Art Huhta was absent.

Dave MacDonough was absent so Tony talked about the Corvette Super Shots for him. George said that seven people came last time. Nine cars came to the La Habra Bowling Parking Lot event. We met new people, one of which was a 22-year-old man who has a C6. The next event will be on November 19th. Bring an unwrapped toy. On December 3, there will be another Toy Drive at a car show.

Richard Cheek talked about the All Chevy Show at Connell Chevrolet. There is an article in this month's newsletter.

Ann Meeuwenberg gave an update about the banquet. The contract at OC Mining Company was signed. Because Ann brought our Non-Profit forms, the manager is waiving the cutting fee for prime rib. Tom Cuccio will be our MC for the evening, while Tina will provide the music. The valet parking fee is also waived, as well as the fee for the bar tender. There are stairs, so there is a special area to enter from the parking level to avoid them.

Tony talked about the Long Beach Grand Prix coming up on April 14 and 15, 2023. Call to make reservations beginning November 28, 2022. There will be 100 special parking spaces for corvettes.

After the break, Tony M won the Clean Car award.

Raffle was money only. Three \$20.00 winners.

Dinner raffle was won by Ed Norris.

Yummy goodies were provided by Jean Pence and Barbara Carias. Karen reminded us that December is when everyone brings something for the goodie table.

Doug Meeuwenberg has a friend who is selling model corvettes. Talk to him if you're interested.

Meeting was adjourned at 8:13pm.

Respectfully submitted by,

Board Meeting Minutes November 15, 2022

Officers present: Tony Schavone, Monica Valparaiso, Teresa Cruz, Tom Horton, Debbie Ruby

Board members present: Sal Cruz, Laura Schavone, Donna Stewart, George McMullen, Gary Maleski, Art Huhta

Others present: Ann and Doug Meeuwenberg, Bill Wisnowski, Dave Dunn

President Tony Schavone called the meeting to order at 7:00pm

A quorum was declared by President Tony Schavone.

Vice President, Monica Valparaiso, shared the various events coming up. The club will buy a brick for Andy Ersek.

Treasurer, Teresa Cruz, gave the budget report. Donna reminded her to make copies of the budget for the general meeting. There was a discussion about the budget and how to raise money for our charities.

Newsletter Editor, Debbie Ruby, asked everyone to send pictures and articles by November 27th. The newsletter will be published on December 1 or 2. There will not be a newsletter for December 2022.

Membership Secretary, Tom Horton, reported that we currently have 88 members. The club will invite Andy Ersek's wife and family to the banquet.

Marsha Gallavan is leaving the club at the end of this year. We will need a new Care and Kindness Representative.

Charity Representative, Will Grohmann, was absent. Tony reminded us to bring our unwrapped gifts with the child's name in a bag to the December meeting so Will can bring them all to Calicinto Ranch.

Sponsor Representative, Art Huhta, had nothing new to report. There will be two members' stories in the November newsletter.

Tony Schavone, Car Show Chairman, suggested a temporary date for our car show on August 12, 2023. He would like to have it at the Elks Club in Buena Park. Dave Dunn mentioned that other clubs piggyback on other events and have a corvette section. Ann Meeuwenberg reminded us that our club has no NCCC judging and is not NCCC sanctioned. There was a discussion about where else we can hold our car show since the public cannot see us from the street at the Elks Club.

Ann gave an update about our Banquet, which will be held on January 21, 2023. She is going back to The OC Mining Company Restaurant to see about the outlets for music etc. She is going to give them a check tomorrow for the event. There are 54 people signed up, but only 26 have paid so far. Donna asked about refunds for club members with legitimate medical reasons. Ann wants to give Honorary Members, Jeff and Peggy Henninger, 50 Year Pins at the banquet. 6-7pm is cocktails. 7-9pm dinner. 10pm end.

Old Business:

- There will be a Toy Drive at the next Bowling Alley Event on November 19.

New Business:

- There will be a memorial for Andy Ersek on November 30, hosted by Dennis Blake. Wear Andy's favorite color, red.
- December 3, 2022: Warehouse Church Car Show from 1-4pm. They will be having a Toy Drive also. Bring an unwrapped toy.
- There are no new members.

Issues from the Floor:

- None.

The meeting adjourned at 7:51pm.

Next General Meeting at Sizzler: Tuesday, December 6, 2022

Next Board Meeting: None

Rest in Peace

MID-NOVEMBER 2022

Andrew Louis Ersek 1937-2022

Andrew was born in Hungary and emigrated to the United States with his parents, Joseph and Anne and his sister, Julie, in December of 1948. They settled in Anaheim where he went to St Boniface Grade School, Anaheim High

School and graduated from Mater Dei High School in 1956. He went on to receive a bachelor's degree in accounting from CSULB. In 1962 he married Marion O'Brien with whom he was set to celebrate their 60th wedding anniversary this November!

Andrew was very involved in his community. He was a longtime active member of St Boniface parish in Anaheim and most recently a member of St Juliana parish. He was a 40 + year member of the Orange North Rotary Club. His weekends were spent attending car shows, driving his classic cars in local parades, homecomings and other charitable events. His love of cars led him to actively recruit cars for the Muckenthaler Car show which led him to joining the board of the Muckenthaler Cultural Center. He was very social and always had a full lunch schedule. The days were for car shows but the evenings were for poker games with his life-long friends.

Anybody that knew him knew there was only 1 color in his spectrum --- Red.

But his greatest joy was his family. He enjoyed spending time with his grandchildren, mentoring them on saving and managing money.

We are heartbroken for the loss. He was a kind, understanding, gentle and generous man. He overcame many recent challenges with strength, dignity and perseverance. He was an inspiration in how to live life. He will be greatly missed by all.

He is survived by his wife Marion, children and their spouses Mark Ersek (Allison), Craig Ersek (Kristine), Teri Garcia (Tim), Patti Anderson (Steve) and his 10 grandchildren, Matthew, Holly, Mitchell, Riley, Nick, Ryann, Taylor, Drew, Trent, Daryn, great grandchild to be baby Loftus, and his sister Julie Agin.

Rosary will be November 13th, 7pm, St Juliana Church in Fullerton.

Celebration of Life will be held November 14th, 10am, St Juliana Church in Fullerton. Red attire and cowboy boots encouraged, no ties.

In lieu of flowers please consider donating to Tunnel to Towers Foundation (T2T.org) in his name.

Who is Will Grohmann?

By, Arthur Huhta

Will is a Westerner, Builder, and Teacher. He has lived in Cypress since 1965. Every summer since 1974, he moves to the family cabin in Montana. This is within earshot of elk's bugle calls at Yellowstone National Park. He enjoys construction and built three cabins there. This work included digging a well and trenching a septic system. You may recognize him in the CSS newsletter. He is the CSS Charity Chairman. Thank you, Will for that.

Aside from taming the west, Will taught Shop (power mechanics, drafting, engines) at Fountain Valley High School for 34 years. Retired in 2000. Will married Joyce in 1967. They joined CSS shortly before she passed away in October 2017. They enjoyed a good number of trips, cruising California coast, Hawaii cruise, and European touring. Meanwhile, he enjoys several hobbies. Three children and three grandchildren live locally.

Will's early Corvette experience was in 1967, when he took care of his brother's Fawn Beige Corvette coupe. His brother asked him to sell it while he did his military tour. Today Will owns a black C6 coupe and plans to sell it once he takes delivery of a 2023 Torch Red C8 coupe. It is hard being in limbo waiting for GM to build it. The parts shortage story is repeated again. He has enjoyed CSS trips, like the run to the Lions Automobile Museum. He favors day or weekend trips and hopes for more in 2023.

Take time and chat with Will. His hobbies are interesting.

Who is Ed Sherlock?

By, Arthur Huhta

Ed likes those run flat tires. He and his wife Sue were driving their red C6 on the 60 freeway to visit their daughter. Flying at speed limit, he spotted a dark object on the road dead ahead. He said, "I saw a piece on the freeway. It was an I Beam. Not crush-able." Not big, not small...just waiting to bang into him. He tried to avoid it, but there was not enough time and room. He felt it hit left front tire and then the left rear tire. Knowing there was damage, he moved to the right and off the freeway. "The driving was a bit squishy, but not bad," he said. The injury was serious. There was a two-inch slit in the left front tire. The left rear had a four-inch square cut. The run flats saved him from a serious accident. "I had seven thousand miles on that tire." Yup, he likes those run flats.

The C6 is his second Corvette. A white 1994 was his first. Viewing car shows is a favorite pass time. His favorite CSS event was the last car show. He would like CSS to have another.

He married Sue, 54 years ago. They have two daughters and four grandchildren, all local. Before marriage, he served in the U.S. Army and was stationed at Scholfield Barracks, Hawaii during the Vietnam era. He recalls looking at the damage to the buildings caused by the December 7, 1941 attack. He recently retired as a maintenance manager for a baker of Wonder Bread. Today he volunteers with DAV (Disabled American Veterans) where he is Adjutant at Jack Fisher Chapter #23, Santa Ana.

Ed is a regular member of Corvette Super Shots and participates in the monthly Skeet shoot using an aged 1897 Winchester pump. "I go shoot and mostly go missing," he quipped.

Talk to Ed. He has interesting stories.

NCCC PRESIDENT's MESSAGE: November 2022

November and the calendar keeps marching on. The ghosts and goblins got all of the candy in our neighborhood and most of the leaves have fallen from the trees. It must be that time of the year!

In just a couple weeks, the last NCCC Governors meeting of 2022 will be held in St Louis. Among the other usual business, the results of national elections and by-law proposals will be announced. Voting ends Nov 9th – ask your club Governor if he or she has voted. It's very important.

It's again time to look at options for our NCCC business meetings beginning in 2025. If you or your club would like to make a proposal, get in touch with our Business Manager, Allen Morris. He can give you all the specifics such as number of hotel nights needed, meeting room requirements, required airport access, etc.

The 2023 NCCC annual convention is being planned for June 25th through June 30th in Bowling Green, KY. You don't want to miss it! Registration will open February 1st – look on the NCCC web site for a link and for the latest information. As you probably know, tours of the GM Corvette Assembly plant are now open and you will be able to make this part of your week long convention experience. The usual array of parties, tours, and competitive events will be available as well as the almost never ending hospitality room. This marks the 70th anniversary of the Corvette and of course we will have a 70th birthday party with a key note speaker. Mark your calendar now.

There is one remaining Board of Directors meeting for the National Corvette Museum. I look forward to representing NCCC at that meeting and I'll share any highlights and news with you. NCCC continues to be a strong supporter of the NCM and that only happens with your support. For opportunities to be involved with the NCM, look at this: <https://www.corvettemuseum.org/support>.

It's that time of year when many of us are putting the Corvettes away for the winter. I know some of you are lucky enough to live in a year round Corvette friendly environment and I know that there are still a few competitive events left this year. Enjoy whatever time you time you can with your Corvette and most importantly your Corvette family.

That's all for now, stay safe, and...

Save the Wave,
Dale Samuelson
NCCC President

NCCC PRESIDENT's MESSAGE: December 2022

December is what the calendar says – but where did the year go? I hope you got to spend time with friends and/or family over the Thanksgiving holiday. In the Midwest, we've already had measurable snowfall and the Christmas Holidays will be here before you know it.

Just a couple weeks ago NCCC held its last business meeting of 2022. Among other routine business, the results of electronic voting were announced. Three by-law proposals were approved, a 2024 convention bid in Joplin, Missouri was approved, and the results of officer elections were announced. Incumbents for the positions of Parliamentarian (Denny Luther), Director of Public Relations (Craig Kamradt), and VP of Membership (Steve Johnson) were re-elected for another term. The office of Treasurer went to Kay Clawson and the 2023 NCCC President will be Deb Murphy. Congratulations to all and special thanks to all of the candidates. This is a large organization that is run entirely by volunteers and we are lucky we have members willing to step up and serve.

There is one remaining Board of Directors meeting for the National Corvette Museum in just a couple weeks. I look forward to representing NCCC at that meeting and any highlights and news will be shared with you. NCCC continues to be a strong supporter of the NCM and that only happens with your support. For opportunities to be involved with the NCM, look at this:

<https://www.corvettemuseum.org/support/>.

The plans for the 2023 NCCC annual convention are shaping up and it looks like this will be a convention you don't want to miss. Parties, tours, and competitive events are just some of the activities that will keep you busy all week. I'm sure you've heard by now that GM assembly plant tours are now happening and you'll want to make that part of your week. Check out the NCCC web site at <https://www.corvettesnccc.org/2023Convention/Convention2023.php> for updates and remember that registration opens Feb 1st.

This will be my last email blast to you as my term as NCCC president is coming to an end. It has truly been my honor and privilege to serve as your president and I thank all of you for your support over the last four years. I believe we have accomplished some good things and I know that we have also faced some challenges. Moving forward we still have more to do and I trust that we are leaving NCCC in good hands. This has been a group effort and I could not have survived without the support and help of the executive board. Please join me in thanking them for all their efforts.

That's all for now, stay safe, and...

Dale Samuelson
NCCC President

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

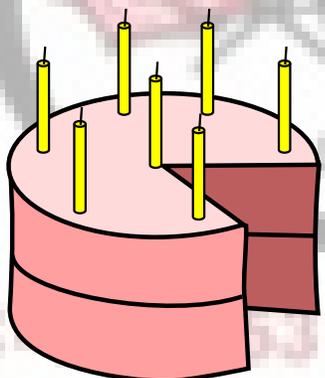

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer you club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.
