President Tony

Hi everyone,

In place of the regular president's article, it was decided to give an update on Tony's condition.

Tony was recently diagnosed with a very rare form of leukemia, known as Blastoid Mantle Cell Lymphoma. While this is a treatable form of cancer, Tony will have a rough road ahead of him. Tony was admitted to UCI Medical Center just about two weeks ago so the doctors could watch him more closely. He has also begun chemotherapy treatments. Tony will remain in the hospital for some time, so his doctors can monitor him and make any changes to the medication that he is receiving. Although Tony would prefer to be home, this level of care was determined to be the best. Once he has stabilized somewhat, they will look into him going home.

Tony is open to receiving visitors; please call or text Laura before you go. If you would like to text or call Laura to see how she's doing, she would welcome hearing from you. You may also call or text Donna or Monica with any questions about Tony's condition.

Please keep Tony and Laura, and their families, in your prayers.

The VP's Column

The VP's Word By Monica

Hi everyone,

As we recently held our car show, I wanted to give a brief summary of the day.

We got there at 6am (some of us (me) a little later) and were greeted with coffee and donuts by the Elks. Set up began, and it was just like everyone knew their part. Tom Cuccio began his DJ setup, and tables, canopies, banners and signs went up. The raffle area was set up with donated prizes and gift cards on our "wheel of fortune." As anticipated, cars began to flow in about 7am, and we were about half full by 7:30am. In total, we had 85 corvettes, with three registrants coming as far as Fresno, and beyond! A few vendors came, raffle prizes were given out, and a great lunch was served by the Elks. There were many choices to be made in the people's choice voting, and everyone seemed to enjoy themselves. We wrapped things up about 1:30pm with our cash drawings, and beautiful plaques given out to all the winners. While we didn't have rain, it was a little touch and go with the wind picking up, and clouds moving in, in anticipation of Hurricane/Tropical Storm Hillary about to hit the next day. Everyone pitched in again to pack things up, and we were done by 2:30pm!

Although we missed having Tony and Laura at the show, I'm pretty sure they're happy with the turnout, and the way everyone came together. Word on the street is that most entrants had a great time, and they were happy with the prizes and venue.

Until the next car show – save the wave!
Monica

Tony welcomed the club. He has been very tired lately and needs to sit to rest his legs. He is having an MRI tomorrow for his leg issue.

Donna Stewart had no guests to introduce.

A motion was made to waive the reading of the minutes for last month's meeting. It was a unanimous vote to waive the reading.

Membership Secretary, Sherry Anderson, was absent.

Treasurer, Tom Horton, gave the bank balance and told us how much he spent for the car show.

In Sherry's absence, Tom talked about the Bylaws. We will vote on the changes at the September meeting. The dues have changed and we split up the Secretary and Membership into two officers. Lets make changes now.

Vice President, Monica Valparaiso, was absent. She gave Tony flyers to put out up front. Corvette & Coffee is August 5.

Laura pointed out shirts for the car show up front. There is no date on the shirt. Please wear your shirt from the last car show.

Since the CSS Car Show will be on August 19, which is the 3rd Saturday of the month, we will not be meeting at the La Habra Bowling Alley Parking Lot this month. There will be a car show meeting at the board meeting, August 15. Tony forgot the sign-up sheet for jobs at the car show, so he will call you. Email him what you want to do. We currently have 57 cars signed up, but only 20 club members. Members' cars will be in the lot with the guests. There will be parking in the lot and on the street. Trophies are being made and will be ready for the show. There is a covered patio at the Elks Club for shade, but bring water and ice.

In order to have a raffle at our car show, we need gift cards to give away. Please bring them to the car show / board meeting.

Dave MacDonough was absent, so Eric Ellsworth talked about the Corvette Super Shots. Six people came in July. They meet on the last Saturday of the month at Prado Olympic Park. It's a lot of fun and everyone eats at Flo's for lunch afterwards. All are welcome.

There were five \$10.00 winners for the Raffle.

Dinner raffle was won by Bill DeForrest.

Jeanne Prescott won the Clean Car Award.

Yummy goodies were provided by Kieth Huff and Bob Mosey.

Meeting was adjourned at 8:06pm.

Who is Joe Orrico

By, Arthur Huhta

Joe has been a CSS member since 1979 and was President in 1981 and 1982. "That is when everyone worked on their car," said Joe. He also has been involved with NCCC as Regional Competition Director for 15 years before becoming Regional Executive.

In 1969 Joe bought a late model 1962 Corvette for \$1150. His first. Since then, he has owned a 2002 Z06 coupe, a 2002 coupe, a 2014 C7 coupe and now drives a 2009 ZR1. Joe continues to have the need for speed.

Cindy was Joe's paramour and enjoyed racing. He enjoys telling the story of her driving the Auto Club Speedway in Fontana. One time, she took an instructor with her for a run. As he repeats the story, her top speed varies from 100 to 150 mph. They took Turn 1 at top speed. She realized that 10 feet separation from the wall is way too close. Perhaps this experience gave Cindy the urge to race.

As a couple, they enjoyed competitive racing and were competitive with each other. They had a standing bet. If she had faster times than Joe, he had to wear a skirt to the next CSS meeting. She did. He did. 3 times.

They were married at the Auto Club Speedway Track in 2006. Cindy was an active CSS member and held all elected offices except Vice-President. In 2006 she was CSS President. She passed away in 2015.

Born in Reedley, California, he moved to Whittier where he graduated from Whittier High School. He majored in Engineering at Rio Hondo College. After school, Joe served in the US Navy as a Radioman stationed at Naval Communications Station, Luzon Island, Republic of Philippines.

After his USN service he worked 15 years for Otis Elevator, designing and engineering equipment. With 50 years of experience, he now qualifies as a FAA Federal Inspector. This job takes him across California to Federal buildings inspecting elevators.

Joe has been involved with HAM Radio for years and holds top rated Extra License. Also, he holds a Commercial General Operators License, which entitles him to repair equipment.

Say hello to Joe. Ask him about NCCC events.

Save the wave, Art

NCCC PRESIDENT's MESSAGE: August 2023

HOT HOT HOT!! Everywhere. Not much going on in my neck of the woods since sitting outside for anything is not an option.

I am looking forward to attending Corvettes at Carlisle August 24 – 26. Here's hoping Pennsylvania is cooler than Florida! Michele and John Cantelmo have made arrangements for the NCCC space so if you come to the event, please stop by and sign the guestbook. You can register to be part of the giant flag make up of red, white and blue Corvettes as well as a few gray ones for the pole! Go to the Corvettes at Carlisle website to register. There are lots of cars and "stuff" for sale all over the grounds. Bring your walking shoes!

Our next national meeting is Sept. 9th with the Regional meetings held Sept. 8th. Come and see who will be running for VP of Competition, Sgt-at-Arms, Secretary and Business Manager. All of the items - bylaws, officers and competition rulebook changes - will be reviewed including how they will appear on the ballot that each governor will vote on. Important stuff! We need a venue for the 2025 convention! If you have even a spark that you want to give one a try, get in touch with Allen Morris, Business Manager. Keep in mind that you can work with anyone, not just your club or region! There is lots of experience out there to help.

Be sure to check out the National Corvette Museum website. There is a section there for Clubs and Ambassadors. For clubs and regions it tells you how to get an ambassador set up as well what the expectations are for the position.

Clubs can also schedule events at the museum. If you have more than 15 people attend, you can get a discounted price for museum and plant tours. Deb Howard is the coordinator for clubs and can help you schedule whatever event you may have in mind. Check it out.

Speaking of checking new stuff out...the 70th anniversary display of cars is still in place as well as the new LED panels in the dome with an awesome video! More sounds and videos have added a spark to the museum...it's a Corvette museum...not so quiet!!

Events are gearing up for fall. Look to see who has been competing to support the clubs that put these events on. If you haven't scheduled an event, give a show or rally a try. Even for a small club, these events are usually one day and not too complicated. There is lots of help out there to get you started!

See ya at the meeting!!

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-“parts” are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

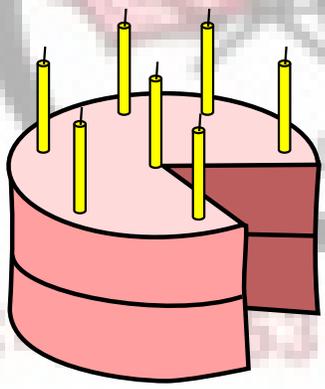

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer you club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.
