President Kieth Huff

It's been a fabulous year for Corvette Super Sports. But, how about the rest of the clubs and Corvette social? From what I've seen in my few short years as an owner, the demographics are changing. I hear people say the new buyers are different, they don't even wave, lol. I believe it's a trend in society in general. People are busy, social media has taken the place of or filled the void clubs filled in the past. The C-8 marketing plan was honed, reinvented and very targeted. They hit the mark and I believe a rising tide floats all ships; Corvette sales and resales are strong. We do have a never before buyer of the car today. I think like everything else people will come back to clubs and organizations once the frenzy dies down and the true brand enthusiasts will seek like-minded folks.

Vice Prez Steve and I have been doing a little outreach. We made the trek one Tuesday night to a Palm Springs Corvette Club meeting. It was held at Jessup Auto Plaza and what a warm welcome we received. We left at 4:00 p.m. and were home by 11:00. Gotta love the twisty 60 freeway through the inland empire late at night. We took another trip to the Corvettes of Choice Turkey Give away car show on Nov 24th. Steve and I both took home some hardware: Steve for best Hot Rod and mine got best convertible. DJ and the club were fantastic hosts and donated a turkey back to my Elks lodge.

We're looking forward to doing more with other clubs. It's always fun seeing new friends and their cars. New member Ron is bringing more energy and ideas for runs so stay tuned for those. Speaking of runs, Steve already has most of 2025 dates in the books. We'll see y'all at the Club party next month on the 18th at the Garden Grove Elks Lodge, so save the date!

We'll see ya out there friends!

Kieth

The VP's Column

The VP's Word By Steve Prescott

First off, Happy Thanksgiving holiday to all of our CSS members! Jeanne and I are grateful for all the new friends we have made here.

Our November event to the Battleship USS IOWA was outstanding! Again, a special thanks to Art Huhta for his involvement in getting terrific parking and the discount on admission aboard the ship. Lunch was great at the Marina Cafe outside, next to the harbor. We had 16 participants. Hope everyone had a good time.

President Kieth and I traveled to Cathedral City to meet up with the Palm Springs Corvette Club at their monthly meeting. They meet at the Jessup Auto Plaza. There were quite a few members present with their nice cars. The showroom featured all corvettes! They ranged from a '68 (not for sale) to new C8s, E-Rays, Z06s, Calloways and base units. It was a "candy" showroom!

My next venture with Kieth was to LA to meet with the Corvette of Choice Club. They have an annual event that gives away frozen turkeys to those who probably wouldn't have one. Our club donated \$100 (which Kieth matched) for the purchase of some frozen turkeys. It was a very worthy event with a lot of grateful people. They had a lot of corvettes on show too.

Dec 7th - Can't wait for the home BBQ ribs at Russ and Claudia's Christmas dinner!

Then Happy New Year...

Jan 11th - If weather permits, for those who are interested in revisiting the Cars and Coffee at the San Clemente Outlets then again ending up at the Rose Canyon Cantina (that gratefully survived the fire). Let me know if you want to go.

Jan 18th - CSS Annual Banquet at (President Kieth's) Garden Grove Elk's Lodge. This year they will be serving a Mexican Buffet.

I'm working on next year's events so expect some more fun outings. I'm always interested in knowing where you want to go...

So, Let's Get Out and Drive!

NCCC PRESIDENT's MESSAGE: November 2024

Here we are in November already . . . the retailers have been in holiday mode for a while, but I am not quite there yet. We are finally getting some cooler weather and that helps to get into the “winter” frame of mind. Hurricane season ends at the end of November and hopefully we won't see any storms the rest of the month.

NCCC Elections

Go to the tab for Ballot on the website look at the bios for each candidate. This year we have choices for all the offices except one. Governors, look at the information on each candidate prior to signing in to vote. There is only one bylaw to vote on this time.

Once you click on the tab to vote, you must finish because you cannot go back in. Be sure to click the Submit Vote button when you are finished. You have until November 6th to vote.

National Corvette Museum

For those in the area, the NCM will be hosting Vets for Vettes on November 7th starting at 8am. The day activities include touring laps around the track and lunch. Check out the other activities in November on the NCM website.

Convention 2025

Be sure to check the NCCC website for updates on the Wisconsin Dells convention August 17 – 22, 2025. Registration will be open before you know it. With all the competition and tours available, you will want to check it out before you sign up.

I hope everyone has renewed their membership for 2025. Renewals have been open for almost a month. Remember any membership dues paid after the 15th December will be considered as a Late Renew member (that pesky additional \$10 will need to be paid). I know the membership directors for all clubs and regions have been working hard to get the process completed on time.

Competition is winding down with the end of the season also on Dec. 15th. That gives everyone time to finalize the standings for the year with the new categories- Speed vs Non-speed. Hope you had a chance to get out and have some fun!

That's all for now. See you in a few days in St. Louis.

Deb Murphy
NCCC President

NCCC PRESIDENT's MESSAGE: December 2024

I am certainly properly stuffed with turkey and fixin's, had a couple of naps and watched enough football, I am ready for the rest of the Holiday!

I want to thank you for electing me for another term as President. I will try to finish some of the issues that were addressed over the past 2 years - mostly financial. I also want to congratulate the following new officers: VP of Membership, Sandy Arnold: Treasurer, Linda Fairlamb: Parliamentarian, George Duncan and Public Relations Director, Jeff Bruggeman. I am looking forward to working with this new board.

I also want to thank Stephen Johnson, Tammy DeWitt, Denny Luther and Craig Kamradt for their service. I know they will be ready to help the new officers when needed. We also had a presentation for the 2026 Convention in Syracuse NY by Debbie and Ray Schafer. The convention was voted in so Debbie Shafer and Chuck Heretta will be the Directors. We are looking forward to the updates in the coming year.

We had an update on the 2025 Wisconsin Dells convention activities. The details are on the website. Be sure to take a look before registration opens. Joan Thomas and Tim Wood are the Directors.

REMINDER INFORMATION: To make your reservation in our room block for the national meetings, you need to go to our website under Meetings where 2025 Sheraton Reservation bullet is. You cannot use the Sheraton regular reservation site on the website to get into our block. ALSO – you need to make your reservation at least 3 weeks prior to the meeting date. There is also a tab if you need assistance from the Sgt at Arms.

ANOTHER REMINDER: Membership dues need to be in by Dec. 15 for renewals! It seems to be a little slow this year so just wanted to let you know that after the 15th, it will cost \$10 more.

I am gearing up for the year end board meeting at the National Corvette Museum. Also if your club does not have an Ambassador, check out the tab on the NCM website. There is a power point with the information shared at the Ambassador Boot Camp. Take a look there is news about new opportunities.

That's enough from me! Happy Holidays!

Deb Murphy
NCCC President

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

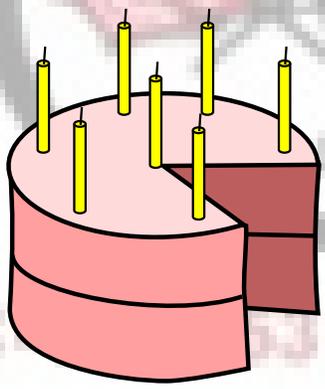

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer you club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.

NATIONAL COUNCIL OF CORVETTE CLUBS

The National Council of Corvette Clubs (NCCC) and its members is not just about those that drive Corvettes, it is about promoting Corvette Ownership in the youngsters in our lives. It might be a child, a grandchild or a niece or nephew. Regardless the situation, share your passion about "America's Sports Car" with them.

One way you can do that is by enrolling them in NCCC's Future Corvette Owners Association (FCOA). This youth program was conceptualized in 1991 and became the official youth program in 1992. The first 76 Members were signed up at the 1991 Convention and currently the membership has exceeded 5,600 members.

FCOA is a very special Corvette Organization just for kids, formed to get the younger generation interested in Corvettes. After all, these kids will make up the next generations of Corvette enthusiasts! These members are the foundation of NCCC's future as they become NCCC members upon turning age 16. NCCC has benefited from having numerous 2nd-generation FCOA members come thru the organization.

FCOA members do receive a membership packet that is tailored for the different age groups. The packet includes a personalized welcome letter (see sample to the right), an FCOA patch and membership card plus a notepad, dash plaque, stickers, trading cards and various other items supplied by members and sponsors who support the FCOA program. It's not always possible however we strive to collect enough items so that all current members will also receive an annual packet of "goodies".

We maintain a list of Activities and Holiday links for the kids to have fun with. Various FCOA Merchandise can be obtained for the kids.

FCOA has its own website, www.corvettesnccc.org/fcoa1.html and email FCOADirector@corvettesnccc.org. The program is facilitated and fully supported by the NCCC FCOA Director.
