**Trivia Question for February:** What year was Chevrolet founded?

- a. 1905
- b. 1907
- c. 1909
- d. 1911

## President Kieth Huff

It's March already! Car show season, sunny day cruises, meet-ups and destination drives are upon us. A few of us got an early start with the Buena Park Elks lodge 1<sup>st</sup> Friday show & shine in February. Will, VP Steve, Russ and I snuck in between the rain. Steve managed to get a trophy for best Hot Rod. His '68 is truly a work of art, not overdone, but so tasteful, congrats Steve.

Our Board meeting was held at Laura's house, it felt good, felt right being there. Since Tony suddenly passed, I was happy to see the club showing Laura some love and I knew we'd have some great snacks. Thanks Laura, for hosting. Monica ran the meeting and at the end handed me the reins. She's not going far and I'm sure I'll be reaching out for her guidance and leadership from time to time.

Some of the business we discussed at the Board meeting was our new officer. A brief election was held with a few really qualified folks offering to step up. Russ was selected and we're looking forward to his input. The level of talent in this club is amazing and I know I'm not alone in anticipating future events. I have a list of quite a few options for day runs and destinations. We'd love more if anyone has any ideas. I know a lot of these have been done in the past, but would still be fun. Speaking of runs, meets and fun, we had 18+ cars at the 3<sup>rd</sup> Saturday gathering in Feb at LA Habra Bowl. What do you all think of rotating locations once in a while to get exposure and a shorter drive for other club members? Discuss at the monthly meeting perhaps?

The All Corvette Car Show came up at the Board meeting. I'm all in, and hope we are as a club. We need to get moving on this soon; I'll be reaching out to the Lodge to secure the space or another location if needed. A couple of other tidbits: I've started a Corvette Super Sports Facebook page, please search for it and like and or join. I also started a What's App group, but not being 12 years old, I seem to be a little challenged and the roll out is glitchy. Stay tuned for developments. I like the What's App for spontaneous talk arounds for last minute happenings, urgent info blasts and more. It's coming soon. I'm always available for a chat, discussion or direction, reach out if I can help, 562 244 0244.

I'll see ya out there!  
Kieth Huff

## The VP's Column

### The VP's Word By Steve Prescott

Hi Everyone!

First off, I'd like to thank the Corvette Super Sport family for entrusting me, a newer member to the position of Vice President. And thank you to Monica for being such a good role model. I hope I can be at least half as efficient as she was!

I am looking forward to taking up where Vice President Kieth left off with organizing outings for our group. I have submitted possible ideas to the board and your input is always appreciated! They can be local, overnight or traveling events.

I have set up a destination for our March field trip. It will be the Kent Browning Auto Museum on Saturday, March 23 at 16625 Norwalk Blvd in Cerritos. There are 2 industrial buildings. The south building houses the Art Astor Collection of 50's cars, antique radios, record players TVs and different memorabilia of that era. The north building houses Mr. Browning's Personal collection of 1953-1963 Corvettes, cars, boats and motorcycles.

I hope this is a start to a lot of fun functions coming in the future!

Thanks!  
Steve Prescott

Feel free to get in touch with me anytime.

## Who Are Steve & Jeanne Prescott?

By Arthur Huhta

Steve and Jeanne Prescott are car buffs. They have more stories than I have ink to print them all. So, trying to keep it brief, here we go.

Steve's dad owned a sheet metal shop in Artesia and he learned craftsmanship there. At 16 years old, he bought a '57 Chevy and learned basic mechanics fixing it. He bought and sold six cars and settled on a '28 Ford roadster. Oops, he sold that one too and bought a '28 Ford Tudor sedan. He loved that car and drove it to the 1974 Street Rod Nationals in Tulsa, Oklahoma. Another transaction was when he sold his '63 Porsche and bought a '64 Jaguar Mark V. He said, "That's the one I'm sorry I let it get away." Add to this mix, a '54 Chevy work truck that he rebuilt and took it to the 1975 Memphis Nationals Meet.

Once, he advertised the '28 Ford for sale. An expensive limo pulled up. Four expensively dressed Europeans stepped out, English actually. They liked the car and wanted to buy it. "He asked me to raise it for him, because the roads were so awful in England. I refused, so the deal fell through," said Steve. He put in too much work to chop it lower. The English visitors left waiving a cordial good bye. Later he learned that the buyer was musician Jeff Beck. Darn...no autographs.

Someone who Steve has not traded is Jeanne. They married in 1975 and have two sons, a daughter and seven grandchildren. Jeanne's love is horses. Their daughter has a mini ranch in Norco with two horses. Jeanne's horse lives there.

Steve and Jeanne's relationship started before they married in 1975. They met when Steve was four and Jeanne was three weeks old. Whoa...is that right? Yup. It seems that Jeanne's parents were neighbors and babysat young Steve. You can count the years. My calculator is smoking trying to compute it.

Jeanne said, "Steve always loved Corvettes; so, for Christmas his kids rented him one from the Exotic Car Rentals in Beverly Hills in 2004. He chose a black one and had it for 24 hours. When they returned, Steve asked if it was for sale. It was. During the negotiations, the dealer shared several celebrities who had rented that car. Paul McCartney's name came up. "After proving to me it was true, there was no way I was going to let that car get away. We now own that '01 C5 Corvette." That's one more Corvette story. For years, Steve kept a magazine cut-out of a '68 Corvette in his wallet. In 2011, a friend found one in Arkansas. Steve bought it and trucked it out. It has been completely customized.

Whew! Running out of ink. There are more stories. Talk to Jeanne and Steve about the '74 Chevy 4x4 pickup and the '57 210 Wagon.

Save the wave, Art

## NCCC PRESIDENT's MESSAGE: February 2024

It's February already! Super Bowl next weekend- maybe some new TV shows after that-Daytona 500 and most important our first meeting of the year on the 23rd in St. Louis. Everyone is welcome. The hotel is hosting the Friday night hospitality room at 8:30 pm. They always do a great job so come and join us!

Just a Reminder

**INFORMATION:** To make your reservation in our room block for the national meetings, you need to go to our website under meetings where 2024 Sheraton Reservation bullet is. You cannot use the Sheraton regular reservation site on the website to get into our block. ALSO – you need to have your reservation in at least 3 weeks prior to the meeting date. There is also a tab if you need assistance from the Sgt at Arms.

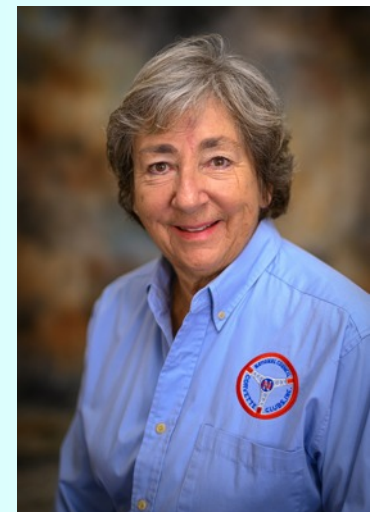

Convention registration is open now! Hope to see a great crowd in Joplin Missouri. This group has worked hard on the events and other activities during the week. They are having a concourse and car show, rally, low speed autocross and drag events. There is also a chance to drive on Route 66. The valve cover races will be downtown after the car show and concourse. Come for the week or stay as long as you like!

The first National Corvette Museum meeting of the year is next week. I am looking forward to seeing what is planned for the coming year. No news on the plant tours but maybe I can get an update. The museum is gearing up for the Caravans coming in September. If you are planning on attending, I hope you have made your arrangements. Things are filling up fast. Don't forget about the BASH in April, that event is always full of information on what is new at Chevrolet!

Regions are gearing up for the 2024 competition season. Now is the time to ask questions and get clarification on how the new format will work. Hopefully a bigger variety of events will be on the calendar! No matter what you do, it is great to get out and "play" in your Corvette.

It's almost spring!

Deb Murphy  
NCCC President

## Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, [www.mamotorworks.com](http://www.mamotorworks.com), (800) 500-1500;
- b. Eckler's Corvette, [www.ecklersCorvette.com](http://www.ecklersCorvette.com), (800) 327-4868;
- c. Corvette America, [www.CorvetteAmerica.com](http://www.CorvetteAmerica.com), (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, [www.volvette.com](http://www.volvette.com), (865) 521-9100;
- b. J & D Corvette, [www.jdcorvette.com](http://www.jdcorvette.com), (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, [www.CorvetteCentral.com](http://www.CorvetteCentral.com), (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, [www.CorvetteCollection.com](http://www.CorvetteCollection.com), (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, [www.CorvetteMuseum.org](http://www.CorvetteMuseum.org), (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

**FUTURE CORVETTE OWNERS ASSOCIATION**

FOUNDED 1992

**NATIONAL COUNCIL OF CORVETTE CLUBS**

The National Council of Corvette Clubs (NCCC) and its members is not just about those that drive Corvettes, it is about promoting Corvette Ownership in the youngsters in our lives. It might be a child, a grandchild or a niece or nephew. Regardless the situation, share your passion about "America's Sports Car" with them.

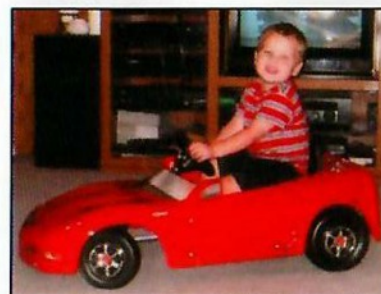

One way you can do that is by enrolling them in NCCC's Future Corvette Owners Association (FCOA). This youth program was conceptualized in 1991 and became the official youth program in 1992. The first 76 Members were signed up at the 1991 Convention and currently the membership has exceeded 5,600 members.

FCOA is a very special Corvette Organization just for kids, formed to get the younger generation interested in Corvettes. After all, these kids will make up the next generations of Corvette enthusiasts! These members are the foundation of NCCC's future as they become NCCC members upon turning age 16. NCCC has benefited from having numerous 2<sup>nd</sup>-generation FCOA members come thru the organization.

These are a couple of photos that have been shared; clearly showing the excitement that the kids have when they join FCOA!

FCOA members do receive a membership packet that is tailored for the different age groups. The packet includes a personalized welcome letter (see sample to the right), an FCOA patch and membership card plus a notepad, dash plaque, stickers, trading cards and various other items supplied by members and sponsors who support the FCOA program. It's not always possible however we strive to collect enough items so that all current members will also receive an annual packet of "goodies".

We maintain a list of Activities and Holiday links for the kids to have fun with. Various FCOA Merchandise can be obtained for the kids.

FCOA has its own website, [www.corvettesnccc.org/fcoa1.html](http://www.corvettesnccc.org/fcoa1.html) and email [FCOADirector@corvettesnccc.org](mailto:FCOADirector@corvettesnccc.org). The program is facilitated and fully supported by the NCCC FCOA Director.
