President Kieth Huff

Corvette season is in the air. The current board of the club met for the first time a few weeks ago at Laura's house. We're moving forward with the car show in August. Everyone shared ideas and experiences. I spoke with the Buena Park Elks Lodge and we worked out the details for our return. Steve already landed new sponsors as well as longtime supporters. I'll chair the event, but we're going to need club support. I know we're all busy, but we need our members to step up, no matter how much, please consider helping on the show either leading up to or day of. More details to follow as well as the flyer.

Vice Prez Steve hit a home run with our visit to the Browning Museum in March. It was a rainy Saturday, but our CSS and guests from other clubs were treated to an amazing tour of a true hidden gem. Tony Martinez, the Curator, specialist was amazing. The stories of the hauntings had us all spellbound. Check the calendar for our next not to be missed club outing. The first Friday car show at Buena Park Elks Lodge is free and a few of us have been attending. I'll be there April 5th, drop by, 4:30 arrival, burgers, fun raffle.

I need some convertibles for the Strawberry Festival parade in Garden Grove, May 25 for VIP's. Gimme a ring if you'd like to be in the parade, 562 244 0244.

I'll see everyone at the club meeting 1st Tuesday at Sizzler in Fullerton.

Lets drive!
Kieth Huff

The VP's Column

The VP's Word By Steve Prescott

Hoping everyone had a great Easter with your family and friends.

On March 23, CSS and Southwest Corvettes met for a fun tour of the Browning Auto Museums in Cerritos. Even though it rained, there were some brave ones who still drove their cars! A friend of mine won BEST IN THE LOT for his '63 split window. There was a huge variety of cars and memorabilia along with interesting stories to go with the collection. 21 of us ended the day at Polly's Pies. Thanks to all who attended!

Our next outing, on Saturday, April 13th will be to the Supercars By The Sea-Cars & Coffee in San Clemente. More details later. From there, we'll cruise to the Rose Canyon Cantina in Trabuco Canyon. On our Saturday, March 16 Bowling Alley meet up, our posted banner brought in a couple of interested corvette owners. We had 9 of our cars on display. It was a nice day!

I'm planning monthly events on the feedback I get from members so please contact me with your input.

Thanks!

Who is Bruce Asada?

By Arthur Huhta

Bruce decided to buy a Porsche. He explained this to Tony Menchaca, who offered Bruce a ride in a real sports car. "Tony didn't floor it once," said Bruce. Convinced this was the best choice, he started searching the Corvette Forum for a Z06. He found one in Virginia with 2,000 miles. Kept searching. A 2013 Z06, White Arctic with blue interior was for sale in Wisconsin. Not wanting to buy sight unseen, he flew to Wisconsin to eye-ball it. Perfect. The seller had extra parts and rims. A month after riding with Tony, Bruce bought this Corvette and had it shipped. He also picked up the GM extended warranty. For a few extra dollar bills, he convinced the shipper to include the rims. They were too big to fly back with Bruce.

Bruce was driving to Las Vegas when a series of warning lights activated. The Las Vegas Chevrolet dealership said that a wheel bearing was rusted and failing. Thank you, Wisconsin weather. Thank you, GM extended warranty. Bruce asked if the warranty would cover replacing the other wheel bearing. Nope. Only the broken part was covered.

He enjoys driving poker runs with other Corvettes, such as OC Vettes 2022 poker run. Bruce and Joanne were married 44 years ago. While he is cruising in the Corvette, she enjoys winning at Bingo in the casinos. They have a son and two daughters. There are also two grandsons and two granddaughters. Most of them are local.

Chat with Bruce about his experience as a deputy sheriff and the famous (notorious) people he met.

Save the wave, Art

NCCC PRESIDENT's MESSAGE: March 2024

It's March and we are quickly moving into a busy competition season. Each club has more sanctions and a new set up for competition – Speed and Non Speed. Non Speed events include rallies, funkhanas, concours and car shows. Points are accumulated separate from autocross events for a chance at a national award. If your club has not tried to host one of these events, give it a try. Rene has been working to get more events! If you need help, he is always ready to help.

Convention registration is open! Joplin MO and the host club is looking forward to have our organization there. We get to have a car show and events downtown! You can get a look at Route 66 too or there is a Showboat ride on the schedule too. I'm looking forward to exploring Joplin since I have never been there.

The National Corvette Museum is gearing up for the BASH in April. If you have not made your reservations, things fill up fast. Chevrolet and the Corvette Plant always try to have sessions to update everyone on what is going on. NCCC will have a booth so if you are planning on attending, please stop by to see us.

Our next national meeting in St. Louis is in May just before convention. Everyone is welcome to attend the meetings. It is a good way visit with members from other regions.

Deb Murphy
NCCC President

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

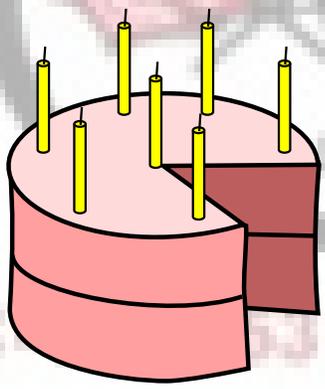

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer you club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.

FUTURE CORVETTE OWNERS ASSOCIATION

FOUNDED 1992

NATIONAL COUNCIL OF CORVETTE CLUBS

The National Council of Corvette Clubs (NCCC) and its members is not just about those that drive Corvettes, it is about promoting Corvette Ownership in the youngsters in our lives. It might be a child, a grandchild or a niece or nephew. Regardless the situation, share your passion about "America's Sports Car" with them.

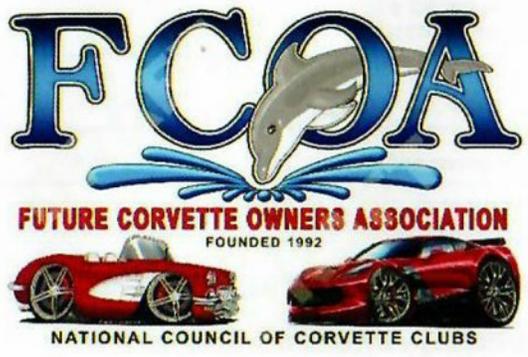

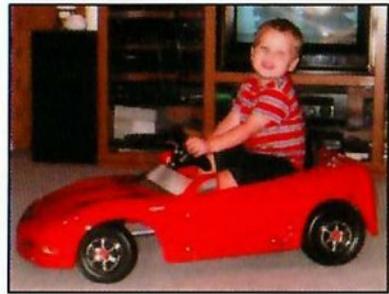

One way you can do that is by enrolling them in NCCC's Future Corvette Owners Association (FCOA). This youth program was conceptualized in 1991 and became the official youth program in 1992. The first 76 Members were signed up at the 1991 Convention and currently the membership has exceeded 5,600 members.

FCOA is a very special Corvette Organization just for kids, formed to get the younger generation interested in Corvettes. After all, these kids will make up the next generations of Corvette enthusiasts! These members are the foundation of NCCC's future as they become NCCC members upon turning age 16. NCCC has benefited from having numerous 2nd-generation FCOA members come thru the organization.

These are a couple of photos that have been shared; clearly showing the excitement that the kids have when they join FCOA!

FCOA has its own website, www.corvettesnccc.org/fcoa1.html and email FCOADirector@corvettesnccc.org. The program is facilitated and fully supported by the NCCC FCOA Director.
