**President
Kieth Huff**

First off, huge shout out and get well to our very own Vice Prez Steve Prescott. He picked up some new hardware and is recuperating. We hope to see him back at a meeting or run soon. His run to the Marconi Corvette day on June 30th was another smash. We had a couple new prospective members hang with us for the day. Ron is a kick and full of ideas and it sounds like he has the time to back it up, Doug just bought his C7 Z06 and drove it home to So Cal from Timbucktoo. Both of these owners would be fantastic for our club. If anyone would like info on an active Corvette club to join, please give me a ring, 562 244 0244.

Speaking of activities, our All Corvette Car Show is fast approaching on August 17th. The buzz about it at the Marconi was encouraging, people are excited about our show. A lot of people appreciated the varied judging categories. I met with the Buena Park lodge recently and they're going to be offering a great food menu for our attendees. Again, for more info or to sign up to work a shift, give me a call, please. We especially need all hands on deck from our members. Ann is still recuperating so we'll be short handed if she's not back, we hope she is!

Check deeper in this newsletter for our July Steve Prescott special fun run of the month and come join the fun!

Save the wave and I'll see ya out there!

Kieth

The VP's Column

**The VP's Word
By Steve Prescott**

Well, we're moving into July! First we have the 4th of July parade at Morningside in Brea. Thank you to Bob Mosey for leading that day. Bring your flag to wave along with the residents! Sal and Teresa Cruz will be hosting the July 13th Miniature Golf Tourney at Camelot Golfland in Anaheim, with lunch plans afterwards. Thank you, Sal and Teresa for leading this one, it should be a lot of fun!

As I write this, I am home recuperating from a revision knee replacement. All is well with thanks to our club for all the support and my wife, Jeanne, for all of her help. Every day is a good day so get out there and drive!

Who Are Tom and Barbara Cuccio?

By Arthur Huhta

Tom joined CSS in 1971 and Barbara in 1978. That is when they had a 1964 Silver Fastback. Now a Silver with black accent C7 coup is their ride. He has held several CSS positions: three years as Vice-president, 18 years as Treasurer, and Board Member for six years. "I like the interaction with people. That is most important," he said.

We enjoy Tom's talent when he DJs our car shows, his favorite CSS event. "I love doing that," he said. On Sundays at church, he plays the guitar and sings.

Once a month he donates blood platelets as well as thrombocytes, which are small colorless blood cells formed in bone marrow. They help the body to form clots and stop bleeding, which is useful for treating cancer patients. The donation takes two or three hours.

Tom is retired from Vons Grocery Store where he was a District Manager. Not being idle, he works part time at Angel Stadium giving "behind the scene tours." This gives him the opportunity to meet former ballplayers and managers. Previously he ushered during games for 16 years.

Tom was born in California and attended Fullerton High School. He earned a Bachelor of Science degree from California State Polytechnic University at Pomona and majored in Business Administration. Drafted into the Army, he was stationed in Germany. This gave him the opportunity to tour Europe. Italy and Germany were favorite destinations.

Barbara was born in Sioux Falls, South Dakota and went to Washington High School. She moved to California in 1969. CSS social events are her favorite. Besides that, she gardens and keeps the house decorated for the seasonal changes.

They married on May 27, 1978, and have two daughters.

Swing by and wish them a Happy 46th anniversary!

Save the wave, Art

NCCC PRESIDENT's MESSAGE: June 2024

Summer has arrived as well as hurricane season in Florida - hoping there are none that come my way. Across the nation, events are ramping up so hopefully you can attend a few. I always enjoy the social part of the events as much as the competition.

The Joplin convention is over - thanks 4 States Vettes for a great time. Thanks also to Rene, we had lots of coverage of each day's events on the Members Only Facebook site. Congratulations to the 2023 Champions!

At the September meeting we will get to hear more about the 2025 convention in The Dells in Wisconsin hosted by the Midwest Region.

We have some work to do. The only income NCCC has is from membership dues and our membership numbers have not changed very much. On the expense side what we are paying out is substantially more than our income. Below are some cost reduction/savings suggestions to consider in lieu of asking for a dues increase. Your club and region need to discuss the ideas below or other options to consider.

- Eliminate membership cards
- Eliminate National and Regional patches
- Change national meetings to 3 a year instead of 4
- Change BlueBars to 3 a year instead of 4
- Going forward new clubs must be 100% NCCC members

Any change to the dues or the items listed requires a vote from the membership. The following suggestions are for your consideration. We need to talk about these items at the September meeting. If you have questions, please contact the Treasurer or me and we will be glad to help. That's all I know. Enjoy the summer and events!

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-“parts” are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

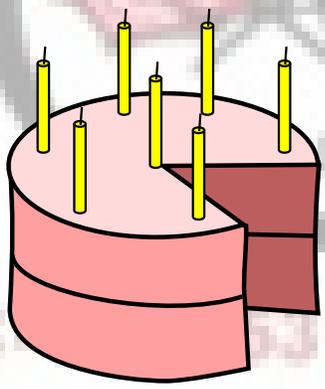

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer you club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.
