Trivia is Back!

- d. 1980

President Kieth Huff

What a month we had in August! The 1000+ h.p. ZR1 rolled out. What a car. Corvette continues to evolve and amaze. I got my first ride in an E-Ray at the Garden Grove Elks lodge car show. Actually, that was my first ride in a C-8 of any level. I think I'm on the hunt for a Rapid Blue convertible C8 with the blue interior now, ugh, this addiction!

Our host for the All Corvette Car Show was the Buena Park Elks and what a show it was. I heard Ed banging on my RV door at 5:30am! We got an early start and had an excellent turnout and participation. There was a strong presence from a few local clubs and they've already asked for a parking area for next year. Our 2025 All Corvette show will be returning to Buena Park August 16, 2025.

As we head into fall it'll be time to focus on our charitable donations and deliveries so be ready to lend a hand there if you can.

I was able to meet up with the Southwest crew of the Caravan to Bowling Green on the 22nd. We had over 200 cars, news crews and helicopters as the cars left from the Pasadena Elks Lodge. I'm seeing a theme with Elks Lodges and Corvettes. If you aren't a member yet, see me or give me a call, there's a lodge near you.

I'll see you at the club meeting, open to everyone at the Sizzler in Fullerton, always 1st Tuesday at 7pm, then for the 3rd Saturday meet up at La Habra Bowl on the 21st at 10:00am.

Save the wave!

The VP's Column

The VP's Word
By Steve Prescott

Here we are a couple of weeks after our annual CSS car show. Even though the car count was down, we still had a great day. I'd like to give a big shoutout to Linda Norris for organizing the raffle and 50/50 which was a good money maker, and for organizing the prize wheel and table with Vicki Kump and Dawnette Norris. Jean and Ken Pence did an outstanding job getting the tickets sold. The job we don't see is the huge responsibility of Tom Horton getting all the handouts ready for the participants' envelopes and then putting in all walk-in's data at the show! Ed and Bud Norris did a great job putting every car in the perfect spot. And what kept everyone going were the upbeat tunes of our favorite DJ, Tom Cuccio. Thank you, Donna Stewart, for always having an answer to my car show questions. Thank you, President, Kieth Huff, for your leadership with the car show meetings and all the PR work it took to get the show on the road. But, a final thank you to all who put time into helping to make our car show fun, friendly and a success!

Our next adventure will be Saturday, Sept. 14 to the very interesting Chino Airport Museum with a memorable lunch at Flo's Cafe afterward. Remember, it's \$18 per person due to Tom before we enter. Cash or check only please.

Save the date and Let's Drive!

Steve

CSS Racing (Part 2)

By Arthur Huhta

Joe Orrico ran against the Porsches. They did not make it easy to pass. Once, Joe went off the track, spinning with dust flowing through inside and out. He ended up on the pavement, but not the active course. Many Porsches had racing tires, but Joe had the fastest time with street tires.

Joe first went to Spring Mountain in 2003 to learn the ropes of high speed driving and was driving a Blue Z06. "When I first started I did not know the cars limits. Chief Instructor Dave Roberts drove my car and gave me tips," Joe said. Later, Cindy Orrico took the driving school. They drove separate Corvettes to the track. Joe brought his 2009 ZR1 and Cindy drove the blue 2002 Z06. They were competitive with each other.

Some owners modify their car for better performance and haul them to the track in a trailer. In 2008, Mike Baddley took his red Z06 modified with a super charger that delivered 650hp to the wheels. Joe advised Mike that unless the tires are squealing on turns, you are not going fast enough. I rode with Mike one cool 65 degree morning. I sat there enjoying the cool air and clear sky until he turned on the heater. The heater ran all day as the temperature rose into the 90s. It seems the blower will overheat the engine unless the heater is running.

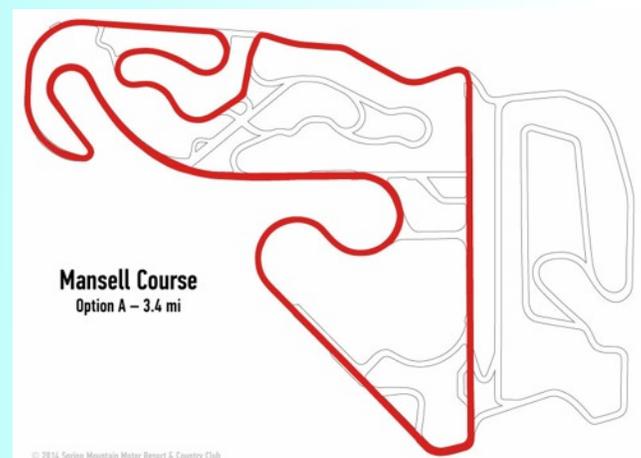

Bud goes into the turns at speeds from 75 to 125 mph. Mike said, "One time I was turning right to go down the final straight-away. The car in front went off the track. A fog of dirty dust spread covering the roadway. I couldn't see. I nailed the brakes and slowed from 65mph and hoped the guy behind did not slam into me." No damage was done.

Relaxing between events, we raised Easy-Ups and opened our coolers. It gets hot out there in the desert. One time a Porsche driver was sitting in the sun. Baking. He did not have an easy-up for shade. Joe invited him to join the CSS group and then enjoyed teasing him. Ed's favorite moment was when after a day of racing, the group would sit in a circle and talk. Ron Fellows walked over, sat down and stayed for a half hour. He thanked us for coming.

Joe said, "I enjoyed the comradeship. Riding in other cars and then having people ride with me is the best."

It was normal to party after the runs at Joe and Cindy's hotel room. They posted a sign, "Drinking Club with a Racing Problem."

NCCC PRESIDENT's MESSAGE: August 2024

Here we are more than halfway through our competition year. I am sure that Rene' will tell you that does not mean halfway through the events. In the fall, when it's not so hot, more events are bearable outside. Take a look at the events listed on the calendar and have some fun!

REMINDER INFORMATION: To make your reservation in our room block for the national meetings, you need to go to our website under meetings where 2024 Sheraton Reservation bullet is. You cannot use the Sheraton regular reservation site on the website to get into our block. ALSO – you need to have your reservation in at least 3 weeks prior to the meeting date. There is also a tab if you need assistance from the Sgt at Arms.

The National Corvette Museum has updated forms for car shows. If you would like to have NCM merchandise for sale at your event, there is a form to make that request (deadline is Aug 31 for 2025). There is also a form to get your show listed on the NCM calendar and the newsletter.

The 30th anniversary celebration is coming up August 29 – 31. Lots of events – E-Rays at the Motor Sports Park, dinner with the Corvette race car drivers and the Hall of Fame induction celebration. Check the website for the detailed agenda.

National officer nominations are still open for President, Treasurer, Public Relations and Vice President of Membership. You need to send your application to Scott Frederick, Chairman of the Nomination committee prior to the September meeting.

Speaking of nominations – I am running for another term as President. I would like to finish some of the things started in the past year or so. I would be honored to serve as your President for another term.

Don't forget to check out the updated information on the 2025 convention at the Wisconsin Dells on the website. It will be here before you know it!

Stay cool!

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer you club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.
