President Kieth Huff

Hello Friends

We had a great September! VP Steve wrangled an assortment of cars and even a Mustang for our road trip to the Chino Air Museum this month. The drive through Carbon Canyon was tempered by the work truck that snuck into our caravan. That was probably for the best as it kept the felonies out of the picture. We enjoyed the Air Museum tour narrated by the docents. We got to see a P-51 Mustang take off and do a lap or two. Tom Cruise's personal Mustang was also on hand along with an amazing assortment of other historic birds. After the tour we had a great lunch at Flo's Diner. The Yanks air museum is directly behind Flo's, maybe we can do a run there sometime. I'd like to hear suggestions from other members of places to go. Run 'em by Steve, we're always open to new things and places.

At the Board meeting we picked a date for the annual party, January 18th. It'll be at the Garden Grove Elks lodge again, same as last year. Hopefully Ann will be feeling well enough to help with planning again, she did a great job last year.

Be sure to check our calendar for upcoming runs. The days are epic. The Bowling Green and St Louis Hardware are always a treat to roll with. I'll see ya out there!

The VP's Word By Steve Prescott

And now on into October!
Happy Trick or Treat... Our September to Chino's Planes of Fame was a real treat. We had 16 cars and 29 people. Our club was divided into 2 groups and both docents were very knowledgeable. I was told our group was one of the best they have ever had. Our lunch at Flo's Cafe was delicious. Thank you, Ed for organizing that. The trick was on me getting ready to lead the cruise and I had a dead battery! That put us 15 minutes behind schedule, but thanks to Jon Ellsworth's jump we were on our way. Thank you everyone for your patience, all is well now.

October 12- Our next event is to Route 66 (to get our kicks) museum in Victorville then lunch at Cracker Barrel down the street. On the way back we can stop in beautiful Wrightwood for an Open House at Steve and Jeanne's home for some treats. Meet at Coco's (1250 Imperial Hwy & 57 Fwy) by 9:15am then we will leave at 9:30 for our tour of the Route 66 Museum at approximately 10:45am.

November 9- Will be our outing to the USS Battleship Iowa in the Port of LA and lunch.

December 7- Christmas BBQ at the Hill's house in Whittier.

January 18, 2025- Banquet at the Garden Grove Elks Lodge.

Feb and March are planned, so stay tuned and...

LET'S DRIVE!

Steve

Who is Donna Stewart?

By Arthur Huhta

Donna is the club stalwart. She is cheerful, smart, knowledgeable and loves the enduring CSS friendships. She has lost count of the number of Corvettes previously owned. The first was a 1985 red coupe. The current one is 2002 magnetic red coupe. Donna said, "We bought it new; so, it's got a few miles on it. We enjoyed many classic country trips to the Black Hills, Corvette Museum twice and New Orleans. We really enjoyed it. That's what we bought it for." Donna was born in Bell and went to Downey Union High School.

She and Dave married in 1980 and owned a Pepperidge franchise before retiring. With her six children, the family has expanded to 16 grand-kids and 6 great grand-kids. Sadly, Dave passed away in 2010. "He was a great family man and a sports lover. He followed all the kids and grand-kid's sports from Little League to college basketball. We always had the TVs on with different kinds of sports."

They joined CSS in 1990. A very active member, she has been President, VP, Charity Chair, a consistent board member as well as Most Valuable Member four times! Caravans to the Corvette Museum and the Black Hills were memorable drives. Going to Spearfish was the best.

Memories. There are lots of them. On one trip through Wyoming there were 24 Corvettes. That many cars tend to attract official attention. When they pulled in for a rest stop, local police joined them. With ticket book in hand, the officer announced that cars without front license plates would be ticketed. He went into the rest stop to interview the other drivers. He appeared to be short tempered. Ed Norris talked with them and explained that he worked for LAPD. He settled their tempers and the police drove away without issuing tickets. Apparently, they did not know that California issues an extra license plate in case the main one gets dirty.

Save the wave, Art

NCCC PRESIDENT's MESSAGE: September 2024

Hey all I am at the 30th Anniversary Celebration at the NCM. WOW are there a lot of cars and people here! I can barely get into the store to shop. It's great!

Thursday morning we went to the Motor Sports Park to recreate the opening picture. All the cars were staged behind the #3 race car. It was only about 95 degrees outside, but it was still really neat.

Friday activities heated up for the Hall of Fame celebration on Saturday - the inductees signed autographs and answered questions.

Saturday a lot more sessions with Corvette Team updates and technicians as well as many vendors. The evening ended with the HOF Induction ceremony. What a great event.

IMPORTANT NOTICE

I messed up and forgot to list the position of Parliamentarian that is up for election this time. If you are interested in running for the position, please get an email to Scott Fredericks as soon as possible. Please also fill out the application that is available on our website.

Lots of things to discuss at the next meeting on Sept 14th. Any item that needs to be put on the ballot needs to be presented this meeting. Also, if you have any suggestions for cutting costs, let me know.

We also hold a short annual meeting where the National awards that were not presented at convention will be given out.

Come and join us!

Hopefully, the weather will cool off soon and we can all get out and have some fun at events!

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer you club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.
