**The VP's Word
By Steve Prescott**

Spring is right around the corner and it'll soon be time to get the cars out of winter storage.....for the rest of the country!

We've had a mild winter here in So Cal and I for one have been driving the heck out of my car.

Our annual banquet was held at the Garden Grove Elks Lodge last month and a good time was had by all. Sadly, we remembered our departed members and friends and family. It reminds me of how short and fragile life is.

I remember a conversation I had with Will a year or so ago. I was kind of whining about not being able to afford a C8, and Will said, "You can afford it." Well, this Tuesday I'll be attending the club general meeting in my C8. The most expensive thing is gonna be replacing all my orange clothes with the new color of accelerate yellow. After visiting the museum a few weeks ago, I embraced the design and technology. I'm looking forward to wringing out the concept and product.

The car show is a go for August 16th at Buena Park Elks. I plan on visiting a lot of the other clubs in the area to invite them to enjoy activities we all enjoy including car shows. Hopefully they welcome our visits. I'll send a blast out on google when we plan visits.

Kieth

On January 11, 2025, CSS drove to the San Clemente Cars and Coffee with a special guest, NCCC VP/Competition, Rene Cardenas who was visiting the west coast from Detroit, MI. He had posted he was interested in joining events in the area so our NCCC rep, Bob Mosey, contacted Rene and invited him and his guests to cruise with us to San Clemente then join us for lunch at the Rose Canyon Cantina. It was great talking to him and his wife and learning more about the NCCC. I apologize to Ron Kennedy for the confusion in calling the Fullerton Park and Ride the Buena Park P and R. Now I know. And I'm sorry, Ron Molendyk about the pothole that gave you a costly flat tire. All in all, we had a lot of unique cars to look at and had a delicious lunch outside under the oak trees with beautiful weather. We had 11 cars and 15 in attendance.

Our Banquet was another success. Thank you, Pres Kieth for organizing everything at your Garden Grove Elks Lodge. Thank you to all club members who were involved with making it such a nice evening. And what a total surprise it was to be called the MVM of 2025! Thank you everyone for this honor.

Our next event will be on Sunday, Feb. 16 at the Pistons and Brunch in Anaheim. I'll give more info at the next meeting on the 4th.

I'll keep you posted for more future events...

Let's get out and drive!

NCCC PRESIDENT's MESSAGE: January 2025

HAPPY NEW YEAR!

Really quiet New Year's Eve, but we did get to watch all the fireworks across the lake. Hope you had a safe and happy celebration. No resolutions either! I am on the mend and ready to have more fun in 2025.

We have our first governors' meeting on Feb 22nd in St. Louis. Everyone is welcome. We have a hospitality room on Friday and Saturday night so you can visit with members from different clubs/ regions and enjoy a beverage and a snack. Most of the meetings on Friday night (Competition, Membership, Regional Executives and Steering Committee) are open and encourage visitors. Come check them out. If you plan on staying overnight, please go to the NCCC website/ Meetings tab to make your reservation to get our special rate. You need to do it 3 weeks ahead of the meeting.

Offices coming up for election are: VP of Competition, Business Manager, Secretary and Sergeant-at-Arms. If you are interested in any of these positions, please let the existing officer know. Coming to our national meetings is a good way to see what the position is about.

Looks like the budget will still be a hot topic. We lost more members -at least once renewals closed- and need to again take a hard look at where we are spending our money. We overstated some of the budget items and we will work to get those closer. We can do this!

Convention is in The Dells in Wisconsin on August 17-22, 2025 and Joan and Tim have been working hard on the events and tours. I was at the Dells A LONG TIME AGO so I am looking forward to visiting again. Autocrossing at Road America should be a lot of fun. Again, updates are happening on the website all the time so take a look and plan your trip prior to registration opening in February.

Looking forward to a strategy meeting with the National Corvette Museum in a week or so. One of the main topics will be working on what the Museum campus will look like. It is exciting.

Go to the NCM website and click on the Delivery tab... scroll down and find the R8C Jr. offer. It is a kid's car that can be delivered the same way an actual new C8 is. Way Cool!! If you are getting a Museum delivery, you can have the R8C Jr delivery at the same time.

We also have an opportunity to raffle off the table that was in the café with the NCCC logo on it. I need to figure out how to do that and will keep you posted. I will get pictures and when it will happen shortly.

That's all I know for now. Stay safe and warm.

Deb Murphy
NCCC President

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

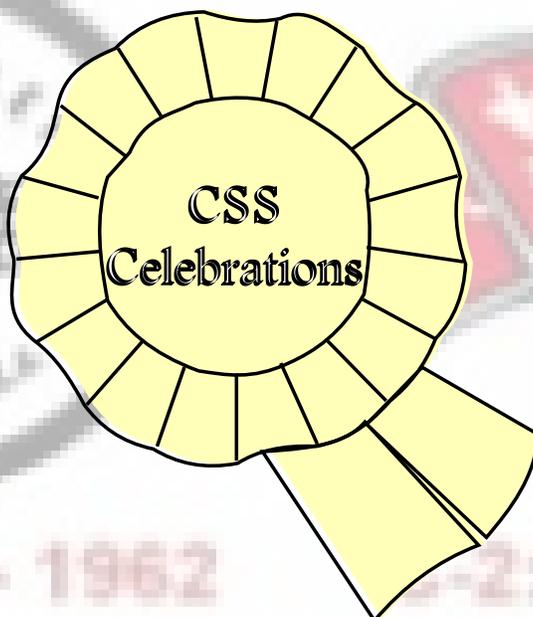

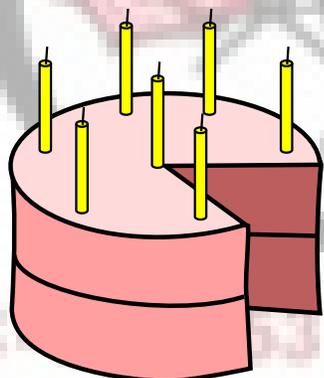

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer you club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.
