**President
Kieth Huff**

Happy Thanksgiving and welcome to the holiday season!

Time to tuck those cars away in the garage throw the battery tender on and wait for the spring thaw. NOT! This time of year is when that Southern California tax comes into play, the fun factor tax, the beautiful weather tax, and the roads beckoning for a drive. Vice president Steve is showing no sign of letting up as far as scheduling our events. If nothing else, the third Saturday at La Habra Bowl is always a good excuse to take your cars out. I was lucky enough to see Michelle's black ZR1 at Pistons and Brunch a couple of weeks ago. She's put up a great video on YouTube about the first woman owned C6-ZR1. It's a great segment.

We've got our annual party coming up January 17, 2026, at the Garden Grove Elks Lodge. But, before all that, we'll be having elections for new officers and Member of the Year. All positions are open and our strength is our diversity of backgrounds and experience. Please consider running for a position. Be sure to come to our club meeting on November 4 at Sizzler in Fullerton. Russ didn't learn his lesson last year and is once again inviting the club to his house for a BBQ on December 7 at 4:00 pm.

We'll see ya out there!

Kieth

The VP's Column

**The VP's Word
By Steve Prescott**

Our monthly event to Solvang was a success for those who participated even though the first half of the day was a rainy downpour. For many of us it was the first time our cars ever saw the rain, but we all survived! The tour of the Mendenhall Museum was unreal with its gas memorabilia of signage, 450 glass globes and auto-related goodies. Mark and his wife were great story tellers of the history of the Mendenhall's and the Buellton area. The food venues were great, thanks to Ron Molendyk.

Our next event will be Saturday, November 8 to the Motte's Family Museum in Menifee with lunch afterward. More info will be given at the next general meeting.

I learned some fun trivia that in 1956 a C-1 Corvette was customized by GM with body modifications, paint and fuel injection. It was called the Corvette Super Sport! Pretty cool!

See you soon, it should be sunny skies with no rain...

So, let's get out and drive!

VP Steve

NCCC PRESIDENT's MESSAGE: October 2025

It's time to vote for the officers as well as for many competition rulebook changes/updates. There are new competition programs for you to look at. A lot of work has been done so please read them. They will need your support to make them successful.

The candidates' information is on the website. We have two candidates for Business Manager- Jeanne Cassel and Mark Halin. Rita Robison is running for Secretary. Rene Cardenas is running for another term as Vice President of Competition and Tom West II is running for another term as Sergeant-at-Arms.

Now that the membership dues increase passed, we are continuing to look at more ways to cut expenses-especially expenses we have control over. One item we are also looking at is cutting our national meetings from 4 a year to 3. This is one of the big expenses we have – approximately \$30,000 per meeting. Nothing has been decided, but I wanted you to know we are still looking at expenses.

NATIONAL CORVETTE MUSEUM - Please go to the NCM website and check out the new Sweepstakes! The winner gets a beautiful 1967 Goodwood Green Corvette convertible. There are many options to purchase an entry to go to the National Corvette Museum website and check it out. The drawing will be at the museum on December 29th.

Be sure to check out the NCM website for updated information- sometimes there are new dates available for plant tours!

We have another raffle for you. The banner that hung at the National Corvette Museum last year is available for you to win. Each chance will be \$5.

The drawing will be at the next National Governors meeting on November 15, 2025 if all the tickets are sold. The proceeds will be used to pay for our banner hanging at the museum. Winner must pick it up or pay shipping fees. The banner will be at the next Governors' meeting in St. Louis.

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-“parts” are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of **Corvette Mike's** at 1133 North Tustin Avenue, located in Anaheim just off the 91 freeway, and **West Coast Corvettes** at 1748 West Business Center Drive, in Orange. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)
