**President  
Kieth Huff**

We're launching into the holidays at full throttle with CSS! Elections, holiday parties, 2026 deadlines and more are upon us.

We've all worked so hard with the club this year, come and relax at Russ and Claudia's on December 7<sup>th</sup> for their party. Good food, friends and stories.

Come to the general meeting this Tuesday the 2<sup>nd</sup> if you're thinking about attending the Route 66 run in 2026. Ron's been putting in the work and the hard part is done for us. The only thing we have to do is commit; let's firm it up Tuesday at the meeting.

January 17 is still a go for our annual club banquet. I'll have more details at the meeting also. We'll send out a blast on email if you can't make the meeting.

I'm looking for another Corvette for the Seal Beach Christmas Parade on Friday the 5<sup>th</sup> of December. You'll be carrying a VIP passenger in your Corvette. Call me ASAP if you can commit to it. I've done it the past couple of years and we're finished around 8pm or so.

**The VP's Column**

**The VP's Word  
By Steve Prescott**

First of all, Happy Holidays to everyone! Hope Santa brings you what you wish for!

I'd like to thank everyone who attended our November run to the Mottes Vintage Car Museum and the Bombshelter Restaurant at the Perris Airport watching the sky divers. It was a pretty cool day. Even the Cajalco Rd past Lake Mathews was a nice drive.

Sunday, Dec. 7, will be our club Bar-B-Que and potluck at the home of Claudia and Pitmaster Russ Hill. Hope we get a great end of the year turnout like last year!

To start out 2026, we will meet again on January 17<sup>th</sup> for our CSS Banquet at The Garden Grove Elk's Lodge. Thank you, President Kieth, for all your footwork to help organize the evening. And thank you ladies for the themed decorations on all the tables that look so festive.

I'll be coming up with lots of ideas for event destinations next year.

Again, have a great and safe holiday and get out there and drive!

VP Steve

## NCCC PRESIDENT's MESSAGE: November 2025

Time is running out to vote for the competition rulebook changes and officers. There are new competition programs for you to look at. A lot of work has been done so please read the information about the new programs. They will need your support to make them successful.

The candidates' information is on the website. We have two candidates for Business Manager- Jeanne Cassel and Mark Hanlin. Rita Robison is running for Secretary. Rene Cardenas is running for another term as Vice President of Competition and Tom West II is running for another term as Sergeant-at-Arms.

Hopefully also, you have paid your annual dues. We had dues change to: New primary \$50. Spouse/companion \$15 - Renewal Primary \$40 and Spouse/companion \$15. Lifetime membership is now \$500. We haven't had an increase in so long, no one could remember when it happened. We are still working on additional ways to reduce expenses and will keep you updated.

Don't forget to check out the 2026 Convention information on the website. The convention will be in Syracuse, NY with lots of events and tours. One tour is to Niagara Falls and you also have an opportunity to drive around Watkins Glen racetrack. The events will be at Pineview Raceway -the highspeed on a 1.5 mile road course with lots of hills. The low speed will also be at Pineview Raceway on a shorter course. It's a beautiful area and venue. Come and check it out!

NATIONAL CORVETTE MUSEUM –Great news! The new Collections Building is being built on the museum campus. Hopefully it will be done by the end of 2026. The more than 100 Corvettes that have been donated to the museum will be displayed and available for tours. Other items that have been donated can also be seen in a special area of the building too. I will keep you updated on the progress.

Don't forget about the NCM new Sweepstakes! The winner gets a beautiful 1967 Goodwood Green Corvette convertible. Check out the options to purchase an entry to go to the National Corvette Museum website. The drawing will be at the museum on December 29<sup>th</sup>.

It appears that there is no interest in the banner that hung at the National Corvette Museum last year. With that said, the banner will be added to the tricky tray raffle at convention.

That's all I have for now! See you in St. Louis!

Deb Murphy

## NCCC PRESIDENT's MESSAGE: December 2025

Whew, I ate too much, but it was good! Hope you had a relaxing Thanksgiving with lots of food and naps!

All of the Competition Rule changes passed. The new programs will start in 2026 and will need your support to make them successful. Take a look on the website for more details.

Congratulations to Jeanne Cassel the new Business Manager and Rita Robison the new Secretary. Congratulations also Rene Cardenas for another term as Vice President of Competition and Tom West II for another term as Sergeant-at-Arms. Again, if you are interested in serving as a National officer, please let someone know. It's always good to get a head start to see what the position is about!

Hopefully also, you have paid your annual dues. We had a dues change to: New primary \$50. Spouse/companion \$15 - Renewal Primary \$40 and Spouse/companion \$15. Lifetime membership is now \$500. Dues must be paid prior to December 15<sup>th</sup>, but hopefully sooner so the administrative work to get the 2026 information in place can happen starting December 16<sup>th</sup>. If you are late you will need to pay the new member rates.

Don't forget to check out the 2026 Convention information on the website. The convention will be in Syracuse, NY with lots of events and tours. One tour is to Niagara Falls and you also have an opportunity to drive around Watkins Glen racetrack. Registration will start on February 1<sup>st</sup> so check out what you want to participate in. It's a great venue, come and join us!

NATIONAL CORVETTE MUSEUM – Great news! The new Collections Building is being built on the museum campus. This building will be right next to the main Museum and will have on the display the entire car collection. I can't wait to see it!

There is still time to enter NCM new Sweepstakes! The winner gets a beautiful 1967 Goodwood Green Corvette convertible. Check out the options to purchase an entry to go to the National Corvette Museum website. The drawing will be at the museum on December 29<sup>th</sup>.

That's all I have for now!

## Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-“parts” are:

- a. Mid America Motorworks, [www.mamotorworks.com](http://www.mamotorworks.com), (800) 500-1500;
- b. Eckler's Corvette, [www.ecklersCorvette.com](http://www.ecklersCorvette.com), (800) 327-4868;
- c. Corvette America, [www.CorvetteAmerica.com](http://www.CorvetteAmerica.com), (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, [www.volvette.com](http://www.volvette.com), (865) 521-9100;
- b. J & D Corvette, [www.jdcorvette.com](http://www.jdcorvette.com), (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, [www.CorvetteCentral.com](http://www.CorvetteCentral.com), (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, [www.CorvetteCollection.com](http://www.CorvetteCollection.com), (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, [www.CorvetteMuseum.org](http://www.CorvetteMuseum.org), (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of **Corvette Mike's** at 1133 North Tustin Avenue, located in Anaheim just off the 91 freeway, and **West Coast Corvettes** at 1748 West Business Center Drive, in Orange. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)
