**President  
Kieth Huff**

Well, I finally got my car on the track. It was a short track, an auto cross, but you would've thought I was at the Indy 500. The car performed flawlessly and I was so far behind its capabilities, I couldn't believe it. But, I did get some wheel time and a lot of experience. I learned with auto cross, like flying, it's the procedures and knowledge of the little things that makes the difference; anyone can fly an airplane, anyone can drive on a track. Staying on the right side of the cones and other etiquette is something that's learned. I learned a lot. I learned this car has amazing capabilities out of the box, off the Showroom floor. Club member Bud, who has a lot of track time, had some great pointers too. The mid-engine is an incredibly stable platform and when I did break the car loose, it slid flat and didn't spin. My next track outing will be July 13 and I'll do a separate write up on the entire experience in the next newsletter.

In the meantime, get ready for the August 16 car show of all Corvettes presented by our club. I encourage you to get your application in soon, as it looks like we're going to fill up.

Get out there and drive and I hope to see you on the road, cars, and coffee, or at our car show August 16 at the Buena Park Elks Lodge.

Kieth

Summertime is here and we started it off on June 14<sup>th</sup> with a Mini Golf Tournament at the Tustin Golfland. Support from our club members was exceptional and kudos to Ed Norris, our club Pro with best score and a shout out to Tony Menchaca for earning the "Rear End" trophy! Thank you Sal and Teresa for a fun day!

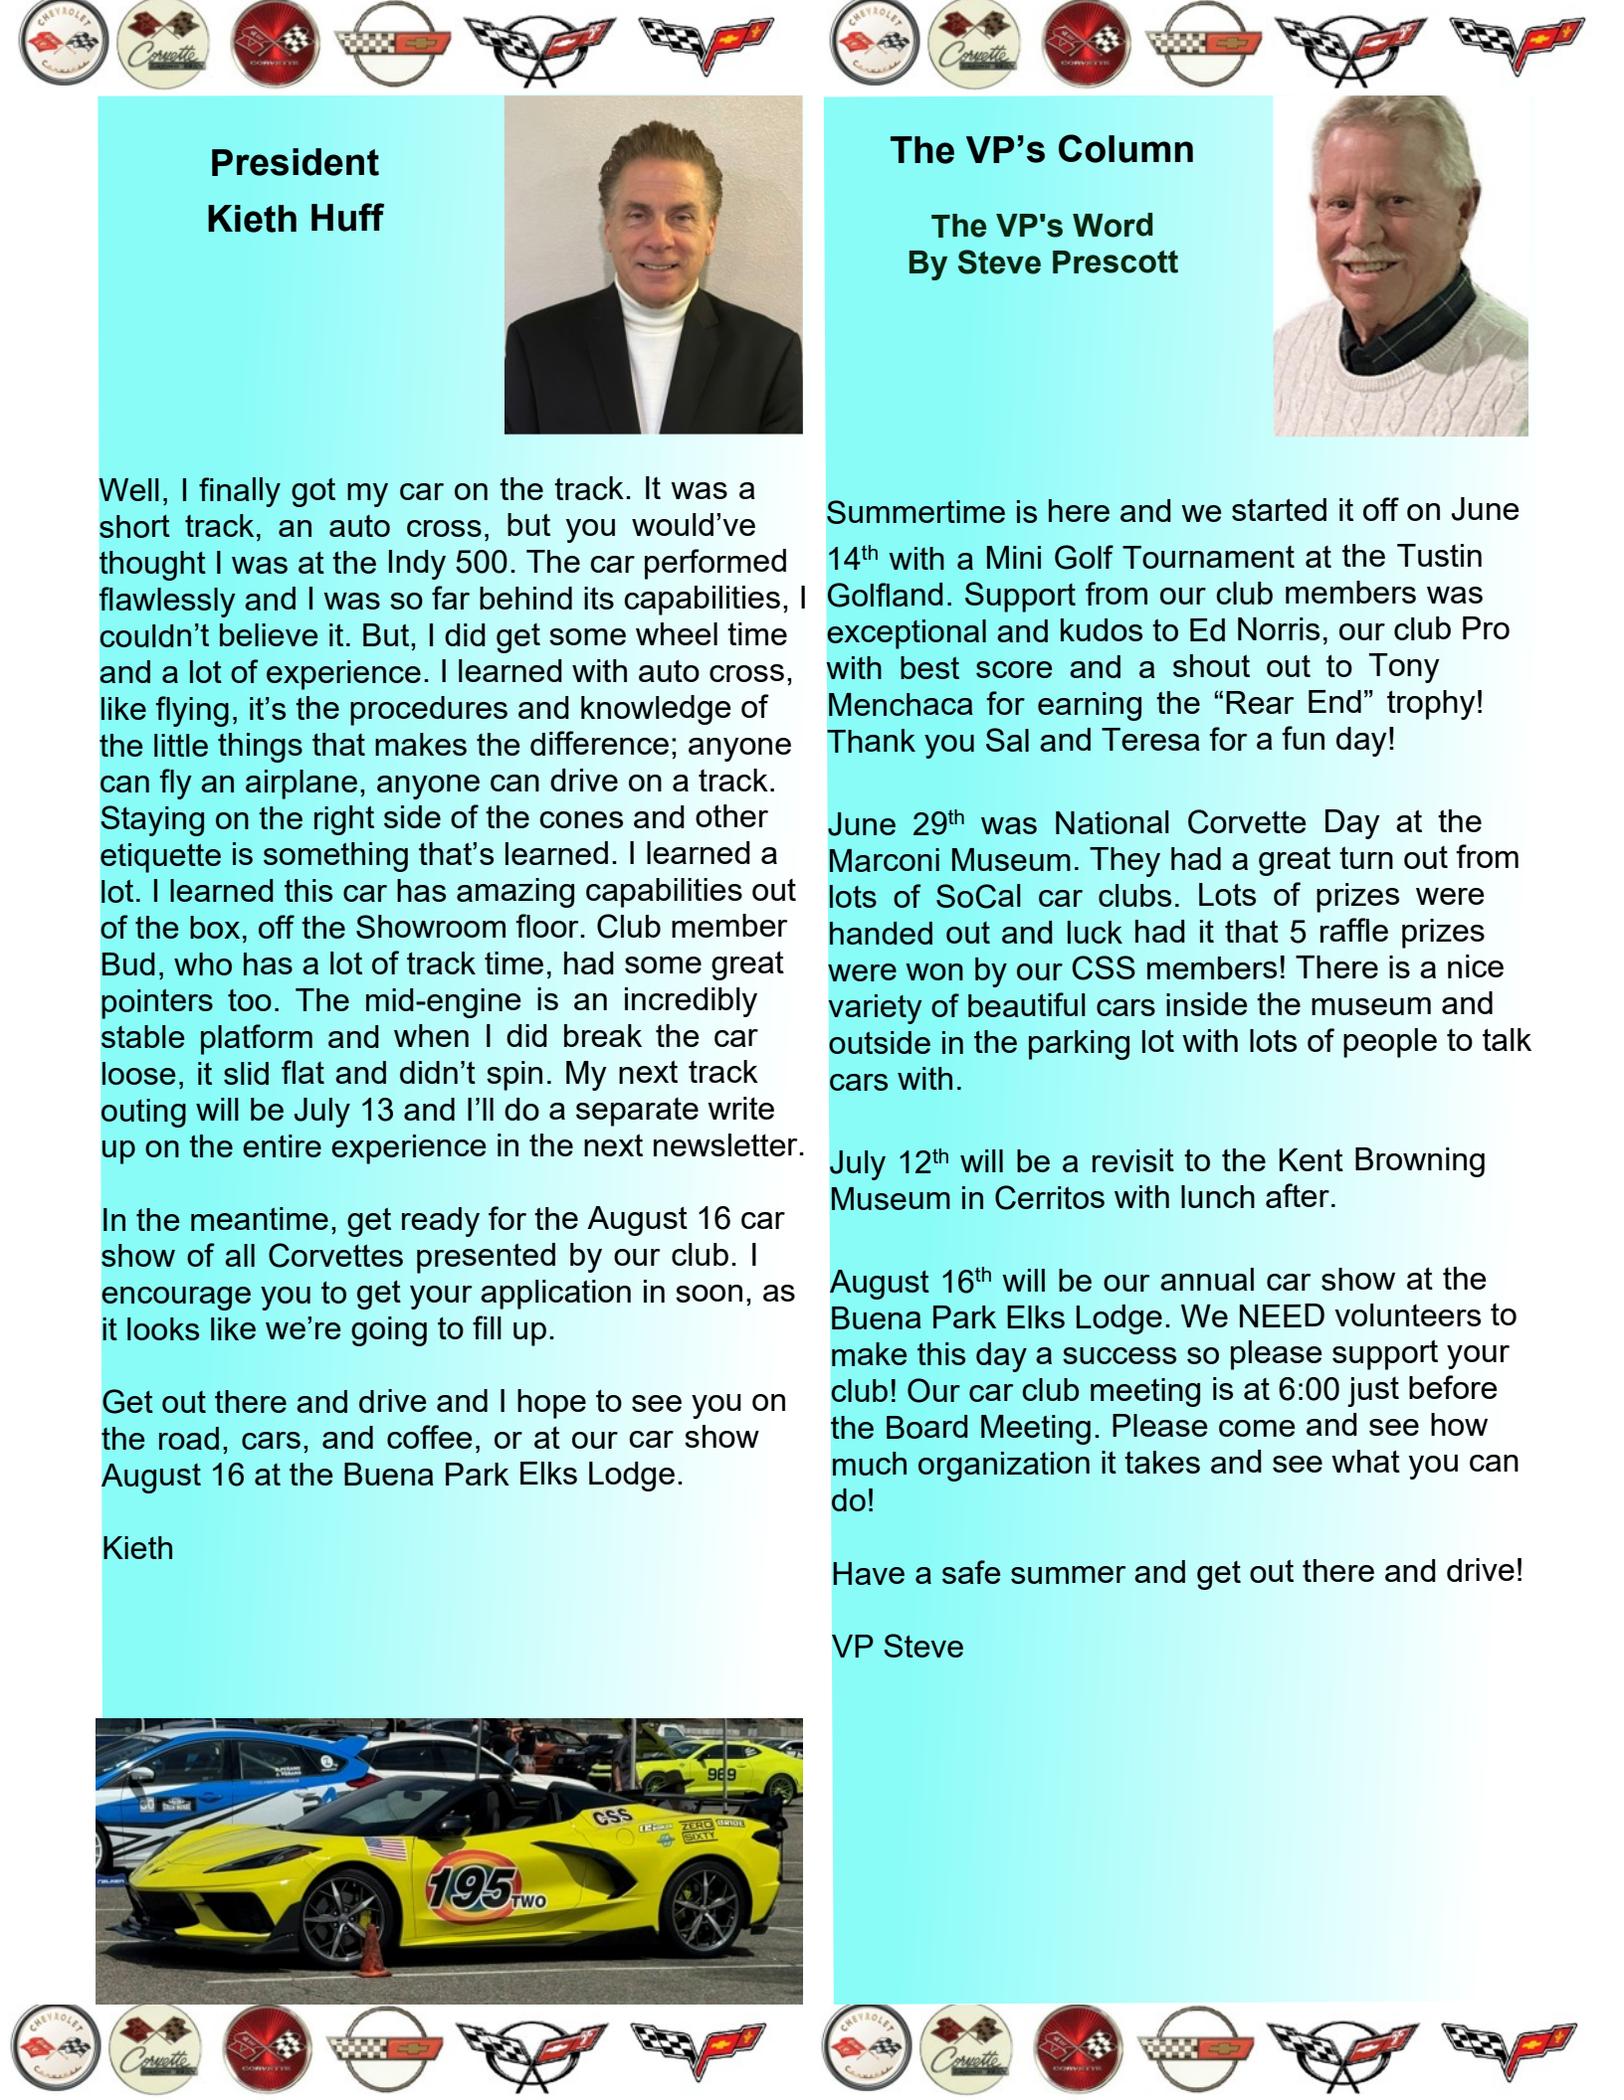

June 29<sup>th</sup> was National Corvette Day at the Marconi Museum. They had a great turn out from lots of SoCal car clubs. Lots of prizes were handed out and luck had it that 5 raffle prizes were won by our CSS members! There is a nice variety of beautiful cars inside the museum and outside in the parking lot with lots of people to talk cars with.

July 12<sup>th</sup> will be a revisit to the Kent Browning Museum in Cerritos with lunch after.

August 16<sup>th</sup> will be our annual car show at the Buena Park Elks Lodge. We NEED volunteers to make this day a success so please support your club! Our car club meeting is at 6:00 just before the Board Meeting. Please come and see how much organization it takes and see what you can do!

Have a safe summer and get out there and drive!

VP Steve

## Who Are Adolph and Manal Younan?

By Arthur Huhta

Adolph likes his cars clean, shiny, and spiffy. Maybe that is why he owns two car washes. One in Rowland Heights and the other in La Palma.

Although he thinks his Torch Red 2022 C8 coupe is perfect, he relished his 1963 split-window. Sadly the 1997 coupe was a lemon with mechanical problems. There were repeated problems with the valve train. Chevrolet tried to fix it, but could not. Adolph gave them the car and GM refunded his money. Adolph said, "It was a black sheep and a headache."

Adolph learned about CSS when he drove by the bowling alley parking event in February. He saw, stopped and joined our club. His favorite event was touring Angel Stadium. He is looking forward to joining the car show activities.

Adolph was born in Egypt and moved to California 60 years ago. He is married to Manal. She was born in Jordan and moved here when she was 12 years old. She is proud to have met Jordan's King Hussein. They have two daughters and six grandchildren.

Save the wave, Art

## NCCC PRESIDENT's MESSAGE: June 2025

It's summer and everyone is busy with events and get togethers. Convention is coming up fast in August. I hope you have your registration in!

Congratulations to Paul Oslansky of Michiana Corvette Club who won the table from the NCM Café.

A big thanks to Chris Milton from Evansville for helping with the delivery!

It's time to submit bids for our national meetings location. If you have a place in mind please contact Allen Morris, the Business Manager, for more information.

We are working on more exposure for NCCC via social media – Instagram and other sources. If you have a short video or idea to put out there, please contact Jeff Bruggeman, our Director of Public Relations. He will be looking for some help.

The museum refreshed the Sinkhole display with a timeline from the date it happened to now. They also have the video of the sinkhole happening as well as one of the cars that went in. The car displayed will change periodically. Check it out.

We are working on the NCCC display at the museum too. We hope to have it finished in time for the Anniversary celebration in August.

That's all for now. Stay safe and cool!

Deb Murphy

## Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-“parts” are:

- a. Mid America Motorworks, [www.mamotorworks.com](http://www.mamotorworks.com), (800) 500-1500;
- b. Eckler's Corvette, [www.ecklersCorvette.com](http://www.ecklersCorvette.com), (800) 327-4868;
- c. Corvette America, [www.CorvetteAmerica.com](http://www.CorvetteAmerica.com), (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

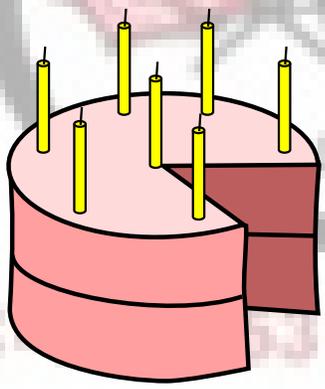

- a. Volunteer Vette Products, [www.volvette.com](http://www.volvette.com), (865) 521-9100;
- b. J & D Corvette, [www.jdcorvette.com](http://www.jdcorvette.com), (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, [www.CorvetteCentral.com](http://www.CorvetteCentral.com), (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, [www.CorvetteCollection.com](http://www.CorvetteCollection.com), (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, [www.CorvetteMuseum.org](http://www.CorvetteMuseum.org), (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer you club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.

### **NATIONAL COUNCIL OF CORVETTE CLUBS**

The National Council of Corvette Clubs (NCCC) and its members is not just about those that drive Corvettes, it is about promoting Corvette Ownership in the youngsters in our lives. It might be a child, a grandchild or a niece or nephew. Regardless the situation, share your passion about "America's Sports Car" with them.

One way you can do that is by enrolling them in NCCC's Future Corvette Owners Association (FCOA). This youth program was conceptualized in 1991 and became the official youth program in 1992. The first 76 Members were signed up at the 1991 Convention and currently the membership has exceeded 5,600 members.

FCOA is a very special Corvette Organization just for kids, formed to get the younger generation interested in Corvettes. After all, these kids will make up the next generations of Corvette enthusiasts! These members are the foundation of NCCC's future as they become NCCC members upon turning age 16. NCCC has benefited from having numerous 2<sup>nd</sup>-generation FCOA members come thru the organization.

FCOA has its own website, [www.corvettesnccc.org/fcoa1.html](http://www.corvettesnccc.org/fcoa1.html) and email [FCOADirector@corvettesnccc.org](mailto:FCOADirector@corvettesnccc.org). The program is facilitated and fully supported by the NCCC FCOA Director.
