It's car show time! What a job we've done. Our Treasurer had an interesting stat for us recently. Last year, the day before the show, we had 52 entrants. This year a month before the show we were closing in on that number, we're expecting close to 100 Corvettes for our show! This is due to our member efforts in reaching out to the community of Corvettes. We've been to club meetings and were graciously welcomed I might say. Cars and coffee events, car shows and just leaving a flyer on a windshield, all have helped get the message out about our Corvette only car show August 16th. Now it's time to pull it all together and show up for our flagship event. We're all looking forward to all hands on deck at the show. We have tasks for every skill set or comfort level, come to the club meeting at Sizzler in Fullerton on Tuesday August 5th to hear how you can help.

I'll float this here first, a regional, So Cal all Corvette show? All the local clubs come together for a Corvette of Carlisle style weekend. It's a lofty aspiration, but fun to think about.

Speaking of more fun, Corvettes on the Tarmac is coming up the week after our show on August 23rd. Drive your car onto the field of Orange County airport at the Lyons Air Museum. I'm already signed up and I'm lookin' forward to hangin' with a few CSS members, Corvettes only, register now.

I'm still Autocrossing my car on weekends, if you'd like to give that a try, give me a call, 562 - 244 - 0244, all skill levels are welcome. I've discovered I have none, but having a heck of a good time learning.

Club member Ron has some fantastic runs on the horizon including the 2026 Route 66 100-year anniversary event, again, come to the meeting on August 5th for more details.

Save the wave, share the wave!

**The VP's Word
By Steve Prescott**

Trips taken years ago in my hot rod....

When I was in a hot rod club some members and I went to the National Hot Rod meet in Tulsa, OK and the next year was St. Paul, MN. We would camp out one night then hotel it for a night along the way. Then for several days we would talk and compare stories with other rodders from around the country. A couple of years later Jeanne and I joined the group again for another National meet in Memphis, TN. All these adventures were in my 1928 Model A Sedan. We also took local trips to San Diego, Solvang, Las Vegas and Parker, AZ. Many years later my good friend piqued my interest in Corvettes. He had a '94 ZR-1 and eventually found my '68 in Arkansas! It has taken a few years to get it just the way I wanted, but it's been well worth it.

So now we are planning our first overnight trip with CSS to Buellton and Solvang on October 14-16. Make your hotel reservation and let's ...

NCCC PRESIDENT's MESSAGE: July 2025

Happy 4th! Hope you are planning a picnic or something fun for that day. This year clubs are able to hold sanctioned events . . . something new for a Friday.

Convention at the Dells is coming soon. I hope you have made your reservations. It is beautiful in that area of Wisconsin. . . I must admit it has been a while since I was up that way, but am looking forward to enjoying the tours. Be sure to check the NCCC website for any updates or additional information.

I am hoping that each club has been able to discuss the upcoming dues increase vote. If you cannot come to the meeting in September, be sure to advise the Regional Executive for your area to place your vote. We will be calling each region so they can split votes (yes or no) this time. It is important you take advantage of your club's voice.

Please also look at all the updates to the competition program that are displayed on the NCCC website. Once you get to an item, you can click on it for more detail. If you have questions on any of the items, please contact your Region Competition Director. There have been many additional meetings for them besides the quarterly ones in St. Louis.

This year there are no by-law changes to vote on. If you have any concerns about the organization rules, please again contact your Regional Executive.

I hope you had a chance to see the unveiling of the 2026 ZR1X Corvette last week. WOW what a car. The Plant did a great job hosting the celebration! Can't wait to see one up close.

The National Corvette Museum is gearing up for the Anniversary Celebration at the end of August. For you traveling to convention, you can extend your visit to the Midwest to include a visit to the museum. I believe there may be plant tours during that weekend. Check the NCM website to see if there is a schedule. I am sure that it will fill up fast.

It is certainly summer here in Florida . . . not too many days with temperatures lower than 90 degrees. We are finally getting some rain that helps a little, but we knew it would be hot when we moved here.

Stay cool. . . See you at The Dells!

Deb Murphy
NCCC President

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

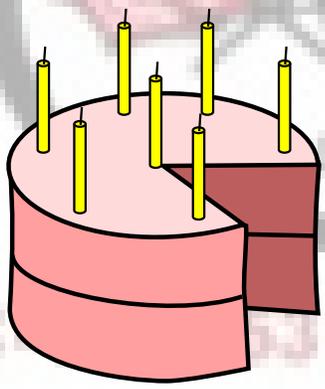

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

Our Corvette Super Sports Dealer Representative D.J. Martin is retiring after a long career at Connell Chevrolet. The new point person for CSS members is now Tim Connell, Sales Manager. I have known Tim for over 25 years and sat down with him to get some background history on Connell Chevrolet.

Tim is well versed in Corvettes and has participated in the dealer training and Spring Mountain Driving for the C-5, C-6, C-7, & C8's.

The company was founded as Miller / Connell Chevrolet and Oldsmobile in 1959 located in Newport Beach on Pacific Coast Highway. John Connell bought out Miller and moved the dealership to the present location in 1964, and dropped the Oldsmobile line. Tim Connell is a third-generation family member working at the dealership.

Paul Dodridge started working at the dealership in the late 1960's and worked his way up to General Manager. Paul bought out John Connell in the 1990's. Paul passed the torch to his son Wayne, and then to the present Owner Tim Dodridge. Paul and Wayne have retired to Montana.

CSS members get a 10% discount on service and parts, just show the service writer you club card. Should there be any issue, contact Tim Connell. The Service Director is Alan Vondra and the Service Manager is John Calvert.

Please show your support for Connell when you are looking for any new vehicle or service needs, as Connell has provided CSS with their continued support.

FUTURE CORVETTE OWNERS ASSOCIATION

FOUNDED 1992

NATIONAL COUNCIL OF CORVETTE CLUBS

The National Council of Corvette Clubs (NCCC) and its members is not just about those that drive Corvettes, it is about promoting Corvette Ownership in the youngsters in our lives. It might be a child, a grandchild or a niece or nephew. Regardless the situation, share your passion about "America's Sports Car" with them.

One way you can do that is by enrolling them in NCCC's Future Corvette Owners Association (FCOA). This youth program was conceptualized in 1991 and became the official youth program in 1992. The first 76 Members were signed up at the 1991 Convention and currently the membership has exceeded 5,600 members.

FCOA is a very special Corvette Organization just for kids, formed to get the younger generation interested in Corvettes. After all, these kids will make up the next generations of Corvette enthusiasts! These members are the foundation of NCCC's future as they become NCCC members upon turning age 16. NCCC has benefited from having numerous 2nd-generation FCOA members come thru the organization.

FCOA members do receive a membership packet that is tailored for the different age groups. The packet includes a personalized welcome letter (see sample to the right), an FCOA patch and membership card plus a notepad, dash plaque, stickers, trading cards and various other items supplied by members and sponsors who support the FCOA program. It's not always possible however we strive to collect enough items so that all current members will also receive an annual packet of "goodies".

We maintain a list of Activities and Holiday links for the kids to have fun with. Various FCOA Merchandise can be obtained for the kids.

FCOA has its own website, www.corvettesnccc.org/fcoa1.html and email FCOADirector@corvettesnccc.org. The program is facilitated and fully supported by the NCCC FCOA Director.
