President Kieth Huff

We did it! We held our Corvette Super Sports all Corvette Car Show on the 16th of August. This was the culmination of over a year of hard work. There was much discussion, debate, refinements, problems, solutions, compromise and in the end.....a spectacular turnout with our friends and enthusiasts. Tom kept the music flowing, the Buena Park Elks lodge kept everyone fed and bartender, Jeri, kept everyone hydrated. We went with a more functional trophy this year, a quality beverage stein that surely won't be relegated to collecting dust in a box. Next year we've got more new ideas, and we hope to see everyone again at what is becoming the region's premiere Corvette car show.

Not to be outdone, a short week later, the Lyons Air Museum at Orange County Airport hosted Corvettes on the Tarmac, a great take on Cars and Coffee. No judging or competition (like that's possible anytime you get more than one Corvette in the same place at the same time) just a casual gathering of over 130 cars. I didn't get the whole story, but I heard Pacific Coast Corvette had a hand in getting this gathering to the community this year, shout out to that great club.

Please come to our club meeting as our guest or to support our club as a member this Tuesday, Sept. 2nd. You'll hear about our run up the coast in the coming weeks as well as long-term planning for Route 66 by Ron. Speaking of Ron, I gave him his club shirts at the Lyons event and as he was changing into one on the street, we got 2 new members! That was his version anyway, your mileage may vary! Luv ya Ron.

VP Steve always has a great monthly day run as well so check our calendar. I'll see ya this Friday under the antlers for the Buena Park Elks 1st Friday car show, then at the La Habra Bowl parking lot for our club show and shine meet-up on 9/20, 10:00 a.m. Call me if I can help in any way or offer you membership in our club.

Come out and drive, save the wave!

The VP's Column

The VP's Word By Steve Prescott

My opinion of our Corvette Super Sports Car Show is that it was a great success with a car count of 107 cars of all "C" series. We had a lot of beautiful C8's as well as classic oldies and all the beauties in between.

We gave away 26 trophies and I would like to give a shout out to thank Lizet at Pro Embroidery & Engraving for providing her professional opinions and skills in choosing beautiful and usable glass mug trophies. Also, a big thank you to the members who put in several hours to help organize and prepare for our show day and to those who volunteered the day of to make it all come together! One of those hard workers is our President Kieth Huff who was determined to get over 100 entries and had many meetings with several people for several months to accomplish that goal!

Remember to mark off Saturday, September 13 for our club run to Wrightwood for our weenie BBQ and potluck. More details will be given at the next general meeting and on the CSS Google Group online.

With that being said...

Let's Get Out There and Drive!!

NCCC PRESIDENT's MESSAGE: August 2025

Convention in the Dells! See you in a few weeks. Be sure to check the updates that include a chance to tour the Road America track during the lunch break. The website has details for registering. I am hopeful for some cooler weather – than 100 degrees- during the week. Safe travels to everyone.

We have a full meeting agenda for September. We have a brief annual meeting and then our usual business meeting. We want everyone to understand what governors will be voting electronically on in the next month or so.

All of the Competition Rulebook changes will be discussed so each governor can share the details with you. There are lots of items to vote on. Please go to the website and click on the tab that shows Competition clarifications and rulebook updates. You can also go to the Competition tab and find the changes listed there with more detailed information. It's a lot so be sure to have some time to set aside to read them.

- The new chapter 12 Supplemental programs will be explained as well as the fees to support the programs. There are several sections to vote on.
- New safety program for workers at each event. RCDs have worked hard to be sure the workers are safe.
- New classes to separate groups by generation (C1, C2, C3 etc.) lots of changes.
- Drag event updates.

The changes will be part of the online voting process. Instead of voting for the rulebook as a whole, you now have the opportunity to vote on each change separately.

At the meeting, we will be voting on the dues increase. As a reminder, NCCC has not had a dues increase for so long no one can recall a date. I was President 25 years ago and there were no dues increase during my term - and none up to now. Expenses go up that we cannot control – insurance premiums, publication costs and membership cards/postage. Our membership numbers have stayed fairly consistent. Please let your RE know how to vote. We are still looking at ways to cut expenses that we can control. Again, if you have suggestions, please contact your regional officer or me.

The National Corvette Museum is gearing up for the Anniversary Celebration along with the new inductees to the NCM Hall of Fame. There will be plant tours offered during the event so check out the website to see if there are still spots available.

That's all for now! See you in Wisconsin.

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-“parts” are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

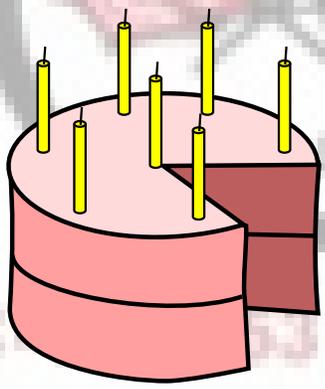

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of Corvette Mike's at 1133 North Tustin Avenue and West Coast Corvettes, 1210 N. Kraemer Blvd., both are located near each other in Anaheim just off the 91 freeway in Anaheim. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)
