This Month's Trivia

Trivia Question for March: In what year did the first Corvette retail for over \$100,000?
Answer: d. 2009; it was the 2009 ZR1

Trivia Question for April: True or False: The new C5 Corvettes continued with the tradition of painting the first 200 produced of the new generation in white!

President Kieth Huff

Corvette mania and driving 'em is going strong as of May 2026. In true to form fashion as the C8 begins the sunset of the production run GM is pulling out all the stops - the ZR-1, Grand Sport and now the GS-X. It's an exciting time to be an enthusiast! These cars love to be driven and as I type this, 66 members and friends are preparing to embark on our Route 66 Anniversary cruise. Next month we'll have a complete write up so don't miss our next issue.

Speaking of next issues, our annual All Corvette Car Show is fast approaching on August 15. With 107 cars last year we are shaping up to be one of the best attended shows on the West Coast. This enables us to make a sizable donation to the Patriots and Paws Veterans outreach. We're looking forward to seeing you and your car there! It's always a great time at the Elks Lodge in Buena Park, with food, music, Corvettes and more.

Now bust out the crispy New Balance, a yellow towel and get ready for Corvette season.

We'll see ya out there!

Kieth Huff

The VP's Column

The VP's Word By Steve Prescott

Looking forward to our upcoming Route 66 Fun Run on April 29-May 3. A big shout out goes to Ron and Mike Molendyk for all their time planning this fun club outing to Las Vegas and Kingman, AZ!

Sunday, May 17, we will be the featured club at Pistons and Brunch at 1563 S. State College Blvd. in Anaheim. It is a unique 1950's themed venue with a collection of vintage cars, memorabilia and good food! More info later.

Saturday, June 13, is our next CSS Miniature Golf Day and lunch. It is a fun day put on by Sal and Teresa Cruz.

Sunday, June 28, is National Corvette Day at the Marconi Museum in Anaheim. It is a fun event with lots of corvettes to look over. And, several of our members won nice raffle prizes last year!

These are just some of the events out there where we can promote our August 15 CSS Car Show. Speaking of our car show, we are asking every member to donate at least one \$25 (or more) gift card for our rotating raffle prize give away. This is your club so let's all be supporters! In addition, any kind of raffle prize is needed. We have three short months, so we need to start bringing in our donations now! President Kieth and Car Show Chairperson Monica are working hard to organize this show, so we all need to step up and help 'our club'.

And in closing, when you are out and about and run across any Corvette owners, hand them a CSS card with info or put it on their car. They could be a potential member. CSS cards are available at the general meeting or see me!

So, Let's Get Out And Drive!!

VP Steve

Who is Michael Molendyk?

by Arthur Huhta

Michael is driving his second Corvette, a black 2005 C6 coupe. He bought it from his dad, Ron, a CSS member also. His first was a 2001, Dark Bowling Green coupe. Now, he is eyeballing his next car, a C7 owned by dad. Michael was a member of OC Vettes when he bought the C5. Arriving at a meeting, a parking spot was reserved. The club posted a sign "Parking for Dark Bowling Green Corvette."

He enjoyed Plastic Fantastic car show in San Diego and regrets that it is no longer produced. He has participated in the annual Route 66 run and will again this year. This is an event where, he said, "You get to drive the car. At speed it runs like a Cadillac."

Michael is a native Californian and a graduate of Valencia High School. While attending Fullerton College, he worked at a coffee shop. Then he opened his own coffee shop and ran it for six years. He sold it and started working for Marriott. Now, 26 years later, he is a Marriott marketing manager focusing on time share sales.

He has been married to Michelle for 26 years. They have two daughters, Emily, a marine biologist, and Megan, a university student and color guard coach.

Save the wave, Art

NCCC PRESIDENT's MESSAGE: April 2026

April Fools Day. . . no jokes from me. Glad it's spring and I can get a handle on the weeds that made their home in my yard. Hope you are all staying warm and enjoying spring.

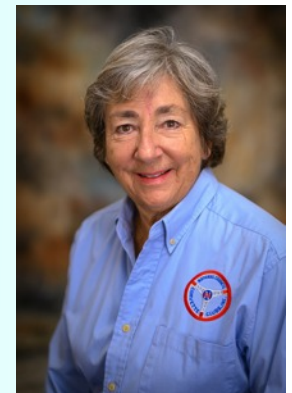

If you have not registered for the 2026 Convention in Syracuse, NY, there is still time. When will you have another opportunity to explore the state of NY, Niagara Falls and take a boat trip along the St. Lawrence River? Anyway, take another look and come join us!

The National Corvette Museum is gearing up for the BASH April 23 – 25. You will have a chance to take a ride around the new Collections Building. You can also take advantage of a discount rate for laps around the Motorsports Park track. If you have not been to the BASH, it is a great opportunity to hear the museum staff talk about what is going on and what is next.

Take a look at the NCCC website for new information as well as the new blogs that are linked there. The convention directors update information all the time as well as any information from Charity, Sponsorship and Membership directors. Communication is a big deal! Take a look.

That's all I have for now. Get out and enjoy your Corvette and the weather!!

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-“parts” are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

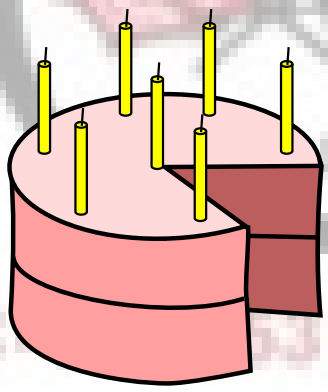

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of **Corvette Mike's** at 1133 North Tustin Avenue, located in Anaheim just off the 91 freeway, and **West Coast Corvettes** at 1748 West Business Center Drive, in Orange. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)

FUTURE CORVETTE OWNERS ASSOCIATION

FOUNDED 1992

NATIONAL COUNCIL OF CORVETTE CLUBS

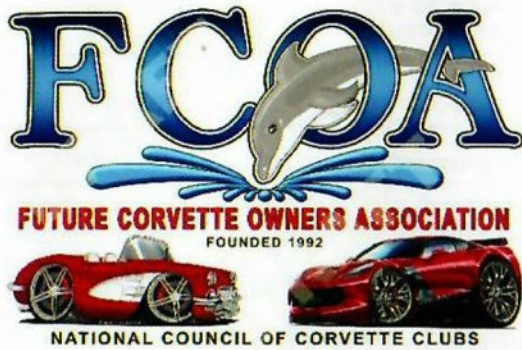

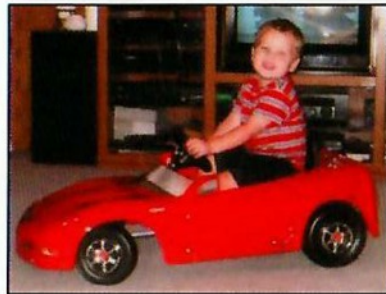

The National Council of Corvette Clubs (NCCC) and its members is not just about those that drive Corvettes, it is about promoting Corvette Ownership in the youngsters in our lives. It might be a child, a grandchild or a niece or nephew. Regardless the situation, share your passion about "America's Sports Car" with them.

One way you can do that is by enrolling them in NCCC's Future Corvette Owners Association (FCOA). This youth program was conceptualized in 1991 and became the official youth program in 1992. The first 76 Members were signed up at the 1991 Convention and currently the membership has exceeded 5,600 members.

FCOA is a very special Corvette Organization just for kids, formed to get the younger generation interested in Corvettes. After all, these kids will make up the next generations of Corvette enthusiasts! These members are the foundation of NCCC's future as they become NCCC members upon turning age 16. NCCC has benefited from having numerous 2nd-generation FCOA members come thru the organization.

These are a couple of photos that have been shared; clearly showing the excitement that the kids have when they join FCOA!

FCOA has its own website, www.corvettesnccc.org/fcoa1.html and email FCOADirector@corvettesnccc.org. The program is facilitated and fully supported by the NCCC FCOA Director.
