**President
Kieth Huff**

Summer's slidin' in like a comfy chair. My favorite time of year and definitely Corvette weather. The club wrapped up a very successful Route 66 tour recently. Lots of great stories and memories were made. Check out the calendar for VP Steve's monthly run.

On July 4th we return for the retirement community cruise. This run started during COVID and has become a club favorite and a real crowd pleaser. Come take a few slow speed hot laps with the club.

See y'all at La Habra Bowl on the 3rd Saturday in June at 10:00am for our drive in/meet up.

See ya out there.

Kieth

The VP's Column

**The VP's Word
By Steve Prescott**

As Spring is coming to a close, summer is sneaking up quickly and there will be a lot of events to attend for our CSS members.

To start off the month, June 7 will be the Classic Cruisers Canyon Cruise in Anaheim. Let's support their event by entering your car or go as a spectator.

On June 13 Sal and Teresa Cruz will be organizing our yearly mini golf tournament at the Camelot Golfland in Anaheim then finishing with lunch. This is always a fun day so start practicing your swing!

Don't forget our monthly (third Saturday) 10:00am-12:00 meetup at the 300 Bowl in La Habra. It's a chance to meet other Corvette enthusiasts with some pretty nice cars!

Corvette Super Shots meets the last Saturday of every month at Prado Olympic Shooting Park at the shotgun fields by the office and flags. We eat lunch at Flo's Cafe afterwards. All are welcome to join!

June 28 is National Corvette Day at the Marconi Museum in Anaheim. Marconi is hosting an all-Corvette celebration and registration is getting close to its cutoff time. Go to: www.MARCONIMUSEUM.ORG to sign up.

July 4 brings us a chance to dress up our cars in red, white and blue and wave our flags in the Morningside retirement home parade in Brea.

There is more fun to come so stay tuned...

And get out and drive!

NCCC PRESIDENT's MESSAGE: May 2026

So here we are at the national meeting in St. Louis. I am sure there will be more information for you after tomorrow, so please look at the minutes when they are ready or contact your Regional Officers for more information.

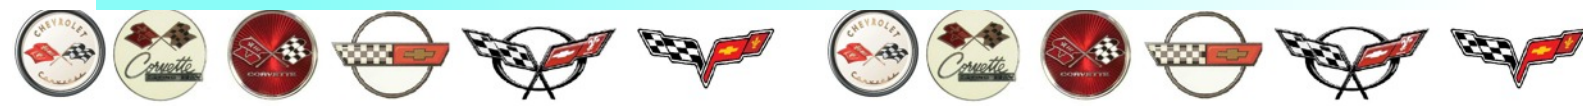

ONE MORE TIME!! If you have not registered for the 2026 Convention in Syracuse, NY, there is still time. When will you have another opportunity to explore the state of NY, Niagara Falls and take a boat trip along the St. Lawrence River? Anyway, take another look and come join us! Even if you cannot stay the whole week, there are Day Passes available so you can attend anytime during the week.

The National Corvette Museum bash is over. The weather was great. The Collections Building is under roof, and the building is REALLY big. We talked about 66,000 square feet but until you walk into it- WOW. I can't wait until it's done- seeing all the cars will be awesome. The new NCCC and club banners are up around the museum and they look great.

Take a look at the NCCC website for new information as well as the new blogs that are linked there. Communication is a big deal! Take a look.

That's all I have for now. Get out and enjoy your Corvette and the weather!!

Deb Murphy
NCCC President

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-“parts” are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

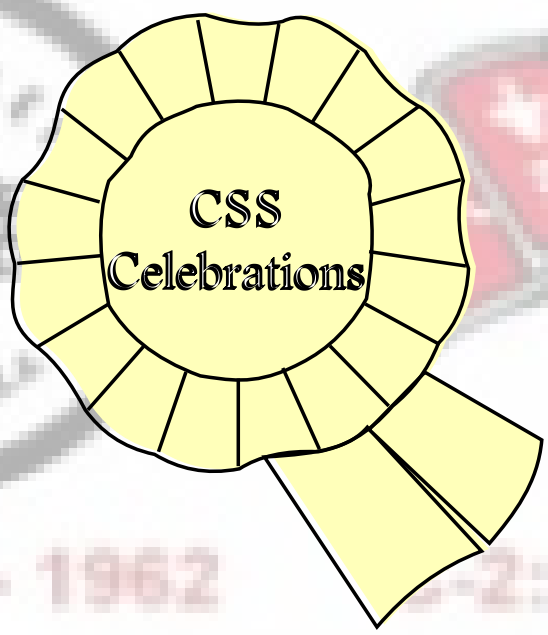

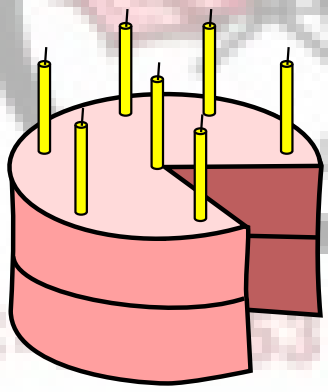

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of **Corvette Mike's** at 1133 North Tustin Avenue, located in Anaheim just off the 91 freeway, and **West Coast Corvettes** at 1748 West Business Center Drive, in Orange. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)
