This Month's Trivia

Trivia Question for June: What year saw the return of the Grand Sport Corvette?

Answer: c. 2017

July Trivia: Did You Know?

The first generation of Corvettes were built in Flint, Michigan, from 1954 to 1981. They were produced in St. Louis, Missouri. In 1982, the production of Corvettes was moved to Bowling Green, Kentucky, where they are made today!

President Kieth Huff

Hot August Days! Here we are deep in the middle of Corvette season and things are heating up. We're a couple of weeks away from our car show and it's shaping up to be a fantastic event. Once again, we'll be at the Elks Lodge in Buena Park with great food and a full bar. DJ Tom will be in full effect, and you'll dig his trivia between songs. Our show will be in the parking lot and it's always been a success with over 100 Corvettes. Something different this year will be the awards, they're one of a kind and very functional. I'm still looking for vendors, 562-244-0244.

We'll see all hands-on deck with club members at 0600 on August 15th. Now let's see those cars!!!

The VP's Column

The VP's Word By Steve Prescott

Our CSS monthly event on July 11 led us to the Petersen Automotive Museum in LA. We had 14 people with 8 cars in attendance. It is always a treat to actually see fantastic foreign and domestic autos on display. There were cars I have collected posters of for years. The basement is the "Vault" where there are many multi-million dollar vehicles such as the 1947 Ferrari 125 S (estimated at \$100-\$175,000,000) sitting across from the elevator as you exit! We finished with a delicious lunch at the Meyer Manx Cafe inside the museum.

Our August 15 event will be at the Buena Park Elks Club hosting our All-Corvette CSS Car Show! We need all members to participate to make the show a success.

September 12 takes us to Wrightwood for our weenie roast-potluck, games and fun in the mountains.

Mark your calendars so you can stay involved and Get Out and Drive!

NCCC PRESIDENT's MESSAGE: July 2026

The 2026 convention in Syracuse is over, and it was great! The food!!!! WOW it was all good and plenty of it. The events went well – except for rain on Monday that is always a downer- but there weren't any mishaps. Lots of fun and hospitality during the week. The hotel staff got to know us and had a good time too. Great job to Debbie and Ray as well as all the other volunteers who made the week so much fun.

Stay tuned for information on the 2027 convention in Bowling Green!

Just a reminder: President, VP of Membership, Treasurer, Parliamentarian and Director of Public Relations are the offices that will be voted on this year. If you are interested, please let the Nomination committee know: Veronica Duys, Melanie Hardiman or Steve Grabenstetter. The deadline for signing up is August 1.

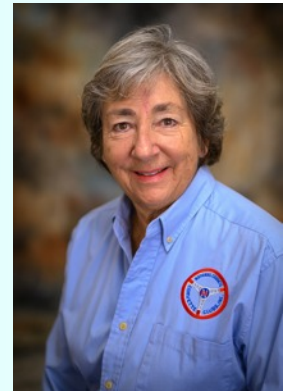

National Corvette Museum

The Corvette plant is offering limited plant tours this summer. Please check the NCM website for days and schedule. You can stay connected with the NCM by signing up for the Campus Connection email. Check out the website!

Where You Can Find Corvette Parts and Merchandise

For those of you who have been into Corvettes for awhile most – or all – of the following will not be news to you, but for you relative newcomers to the love of Vettes this offering is being made to help you find the parts you may need for your classic or the trim add-ons you might want to buy to personalize your Vette or the clothing, gear, etc. you might like to own to show others of your interest in the sport.

It's amazing just how many publications are out there that are dedicated to Corvettes and how helpful many of them can be. Following is a list and quick summary of the more popular catalogs that you might want to look into. Most of them are available for routine periodic mailing if you request it, and most of them have a web site from which you can peruse their offerings. Me, I prefer to receive the catalogs so that I can better see just what's out there I might not have not seen before.

The three largest, most popular catalogs with the most items that are non-"parts" are:

- a. Mid America Motorworks, www.mamotorworks.com, (800) 500-1500;
- b. Eckler's Corvette, www.ecklersCorvette.com, (800) 327-4868;
- c. Corvette America, www.CorvetteAmerica.com, (800) 458-3475.

Those publications periodically also publish catalogs geared specifically for a single generation of Corvettes so when they ask you for the year and model you drive don't be afraid to tell them.

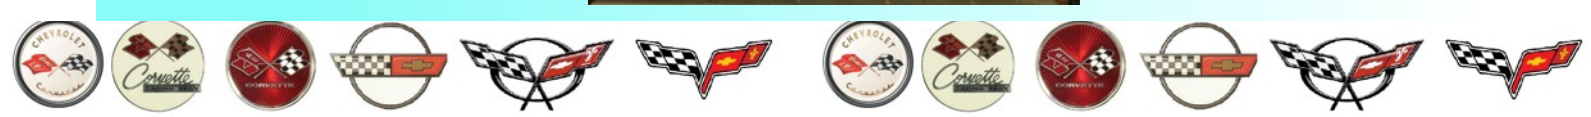

Then there are catalogs that are almost exclusively for parts, especially of older model Corvettes:

- a. Volunteer Vette Products, www.volvette.com, (865) 521-9100;
- b. J & D Corvette, www.jdcorvette.com, (800) 838-8353 (located locally in Bellflower, CA).

For trim and accessory items as well as clothes, furniture and the like, you should look at:

- a. Corvette Central, www.CorvetteCentral.com, (800) 345-4122. They have an accessories catalog and a separate catalog of parts, etc., for each generation of Corvettes.
- b. Burston Marketing's Corvette Collection, www.CorvetteCollection.com, (800) 653-1375.
- c. And finally, the catalog from the retail store at the National Corvette Museum, www.CorvetteMuseum.org, (800) 538-3883.

In addition to the above, you might also consider visiting the show rooms of **Corvette Mike's** at 1133 North Tustin Avenue, located in Anaheim just off the 91 freeway, and **West Coast Corvettes** at 1748 West Business Center Drive, in Orange. They have a selection of GM authorized accessories and clothes for sale, as well as an indoor Corvette sales room with used road gems. Both also maintain service departments for installing accessories and the like and for general maintenance of Corvettes. West Coast Corvettes has a new catalog that was just released and is available for pick-up at the store. (Price is pre-printed on each catalog as \$12.95, but don't be fooled, they're free - just ask for one.)
