

CSS Emergency Board Meeting Minutes  
November 5, 2019

Officers present: Tony Schavone, Monica Valparaiso, Pam DeForrest, Debbie Ruby, Douglas Mariani

Board present: Laura Schavone, Donna Stewart, Sal Cruz, Gary Maleski, , Brian Valparaiso

This was an emergency meeting to discuss what is going on with our free e-mail Yahoo Group.

Douglas reported on Yahoo closing down several items for the groups. This will be in effect starting December 14th, 2019. They are trying to stop the malware problems that mostly target senior citizens. Pam has a host from work that could take us over but they wanted \$100.00 a month to maintain it. If we go with the payed Yahoo, it could cost upwards of \$1700.00 a year. Basically all we can use it for now is conversations. Everything else will be uploaded to the WEB site and we can view on there. This includes Rosters, Birthdays, Anniversaries, photos and the Newsletter. We all who share this information will send to Douglas to post on the WEB site. Right now we only pay \$200.00 a year for the WEB site. The password to get into the WEB site is WC-326. That's our NCCC#. Any photos to be posted should go to Douglas and Debbie.

Respectfully Submitted,

Pam DeForrest, Secretary
